

WEATHER

Weather, cooler and light frost tonight; fair, warmer Friday.

INFANT'S BODY FOUND IN CISTERN

Trace New Leads In Roberts Death

Police Continue Probe

Case Still Open, Lutz Says

Police today questioned new witnesses in the fatal shooting of Mrs. May Roberts, 39, last Saturday morning in her home on Marshall avenue.

Prosecutor Harold Lutz said he gave police the names of several persons who might have additional information about the case and the persons involved in it.

Lutz released Mrs. Roberts' husband, Frank, 21, Monday, ruling there was insufficient evidence of homicide. Other witnesses were questioned yesterday by police and the prosecutor but Lutz said the questioning revealed nothing to make him change his mind.

Names of the new witnesses were given to Lutz and city detectives yesterday by Mrs. Claude Smitherman, of Detroit, and her daughter, Wanda. They said they were given the names by other persons here. Mrs. Smitherman and Mrs. C. Glass, of Los Angeles, who also saw Lutz yesterday, are sisters of the slain woman.

Lutz said talks with the slain woman's sisters yesterday "threw no new light on what happened last Saturday morning."

Lutz said he had visited the scene of the shooting, adding "no case is ever closed until we've learned all the facts."

Mrs. Roberts was shot in the chest at 3:27 a. m., Saturday with a powerful rifle. The gun was found standing in a corner of the kitchen at the Roberts home where the body was found.

Trial Plea Overruled

WASHINGTON — (INS) — Federal Judge Albert L. Reeves today denied an attempt by Judith Coplon to have espionage charges against her dismissed on the grounds that the government revealed contents of her "private papers."

Reeves' denial of a mistrial motion was accompanied by his refusal to ban use of the papers seized from Miss Coplon when she was arrested as evidence in her trial.

The mistrial motion, made by defense lawyer Archibald Palmer, was based on a FBI affidavit containing a statement in which Miss Coplon is alleged to have admitted trying to get a "top secret" FBI report on Soviet and communist espionage in this country.

U. S. Army Bares Capture of Spy

FRANKFURT, Germany — (AP) — The U. S. Army announced today that a 24-year-old German woman will be tried before a military government court on charges of stealing official U. S. documents and turning them over to foreign agents.

The announcement said the woman, Gertraud Mittementz, had admitted furnishing material for foreign agents.

1,500 MEN EAGER TO CLIMB TO THE TOP

When an English firm of steeple-jacks placed a Help Wanted ad in the London Times they stated it was an exciting trade, with "an opportunity to climb to the top." Even though the ad warned that they'd be frozen in winter and roasted in summer and insisted on well educated men, more than 1,500 applied. Even though it may not be to "climb to the top," when you've an Employment opportunity a News-Journal Want Ad will bring you applicants a-plenty. It's easy to place a Want Ad. Just call 7231-6. We'll be glad to help you.

PAUL MAKUSHAK

Can Return To 'Tomb'

Officials to Free Greenpoint Hermit

NEW YORK — (UP) — Dist. Att. Miles MacDonald said today Hermit Paul Makushak, 33, can go back to his cubicle, unless he has committed some crime, or is insane.

Makushak was dragged from a three-by-five foot walled-up room Tuesday night in his mother's apartment by axe - swinging police called by a neighbor. He said he had his mother seal him up 10 years ago and was fed through a hole in the ceiling. He was being held today in Kings county hospital for psychiatric observation.

FBI agents checked to see if he should be prosecuted as a draft evader. Makushak said he deserted mankind's society a year before the draft act was passed.

MacDonald said if he was sane and innocent, there was no reason why he shouldn't do as he pleased.

Meanwhile, his mother, Mrs. Anna Makushak, 58, who is in Greenpoint hospital for medical treatment, told Dr. Philip Kahane that she had no children.

"My son is dead," she said.

Changes Mind After Night Spent In Jail

A Mansfield man who refused to answer a question put to him in a municipal court session yesterday thought better of it this morning after a night in the county jail.

Richard Jerger, 23, of 125 Home avenue, was committed to jail for contempt of court when he refused to answer a question in a civil case heard by Municipal Judge H. H. Schettler.

The plaintiff in the case, Hering's Grocery, 294 South Diamond street, was attempting to possess Jerger's, photography equipment, valued at \$300, or to receive payment of a \$71.65 grocery bill.

Jerger told the court he had loaned the camera to a friend. When asked by the plaintiff's attorney "to whom did you loan the camera," he refused to answer.

Judge Schettler ordered him imprisoned in the county jail until he was ready and willing to answer the question. He was ready at 9:30 a. m. today. The answer—he sold the equipment to two girls who worked in a night club taking pictures but the girls no longer are in the city.

British Troops Retake Canals

BERLIN — (UP) — Squadrons of armed British military police seized canal control locks in west Berlin today from Russian troops who had halted barges plying the waterways with supplies brought in by the airlift.

Soviet officers backed down and finally ordered the canals in the British sector of Berlin reopened for traffic after the British military moved in and ordered the Russians to give up control of three key locks or be put out forcibly.

Madame Quezon Killed

Filipino Ambush Leaves 11 Dead

MANILA — (UP) — Communist-led guerrillas ambushed and killed Mrs. Manuel Quezon, widow of the first president of the Philippines Republic, and 12 other persons today in the hills 75 miles north of Manila.

The victims also included Mrs. Quezon's eldest daughter, Maria Aurora, 30, and her son-in-law, Felipe Buencamino III, an official in the Filipino Foreign office and recently secretary at the Filipino legation in Rome.

The sudden fusillade of machine-gun bullets wiped out nearly half a six-car cavalcade which the 61-year-old Mrs. Quezon was leading to the inauguration of a hospital at her late husband's birthplace of Baler.

FIFTEEN SURVIVE
There were 15 known survivors, and three of them were wounded. Maj. Gen. Rafael Jalandoni, former Filipino chief of staff, was the only occupant of Mrs. Quezon's car to escape alive. Wounded, he regained consciousness later and found himself under Mrs. Quezon's body.

The attack came so suddenly that the escort of constabulary troops failed to return the fire and the assassins escaped. It was theorized that the guerrillas may have believed President Elpidio Quirino was among those in the cavalcade.

They struck in the hills near Bongabon, Nuevaecija province, in the heart of country overrun by members of the outlawed Hukbalahap (dissident peasant) movement.

The Huks, as they are known, have been terrorizing the Luzon countryside since shortly after the liberation of the Philippines from the Japanese. They are supported by the communists and their leader, Luis M. Tarac, is an avowed communist.

President Quirino, shocked at the tragedy, ordered a full-scale military campaign to clean out the Huks.

758 to Ask \$500 Boost

A \$500 per year increase in wages and other benefits will be sought by Local 758, United Electrical, Radio, and Machine Workers (CIO), it was announced today by the local business agent, Arthur Wernick.

The national U. E. union announced the \$500 increase proposal yesterday in New York through James J. Matles, the national's director of organization.

A spokesman for Local 711, (at Westinghouse) said the wage increase proposal "is news to me." The spokesman added that no wage increases would be demanded by 711 until the 25 to 30 Westinghouse unions throughout the country had met and a vote was taken to decide whether or not to ask for increased pay.

Local 758 represents workers at the Ideal Electric and Manufacturing company, Martin Steel Products corporation, and the Ohio Brass company.

22 Injured In Train Mishap

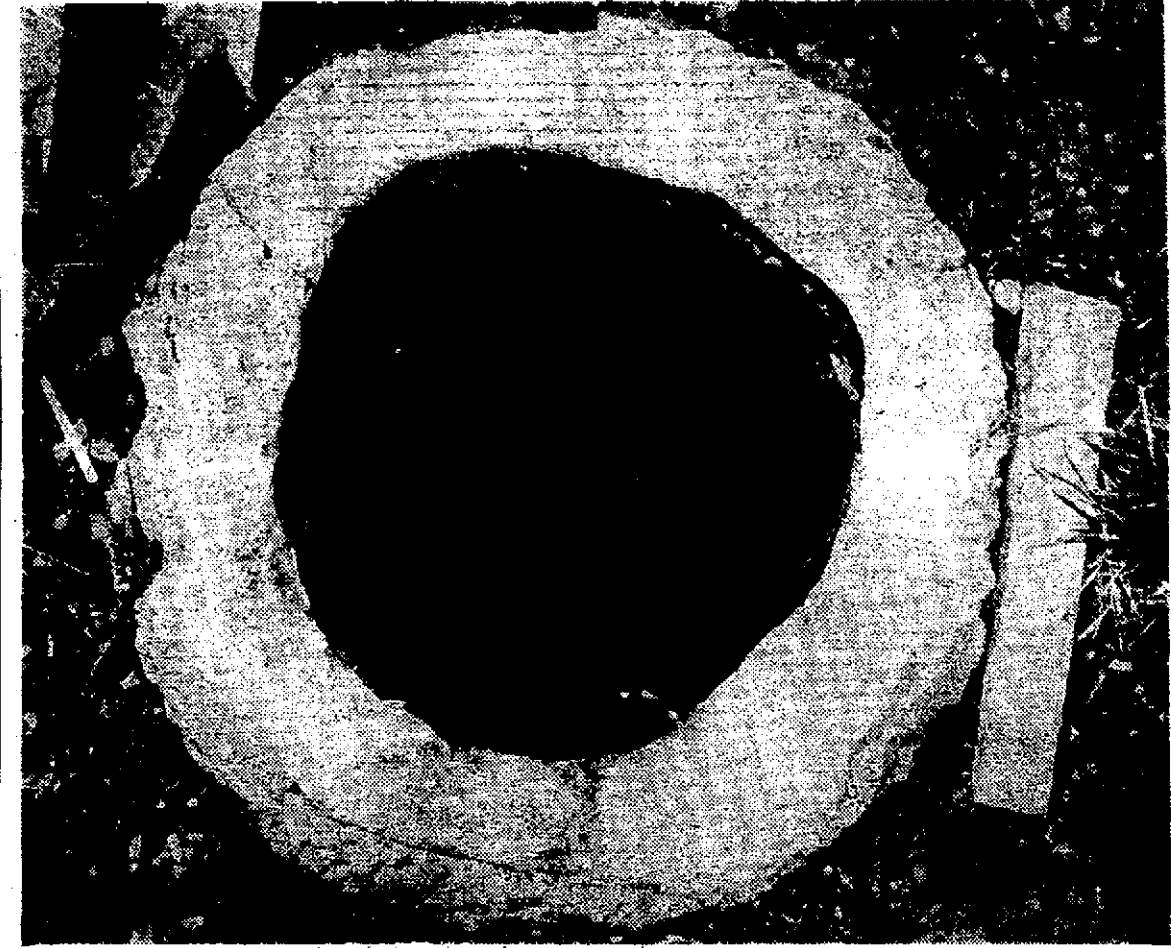

FORT WAYNE, IND. — (INS) — Seven passengers and 15 dining car employees were injured today when eight rear cars of the crack Broadway Limited of the Pennsylvania railroad were derailed three miles east of Fort Wayne.

None of the passengers or employees was reportedly seriously injured. All were taken to a Fort Wayne hospital.

Railroad officials said they had not yet determined the cause of the accident.

The 15-car train was bound from New York to Chicago.

None of the cars overturned. Six were pullmans and two were dining cars.

WATERY GRAVE—The body of an infant boy was found a foot and a half below the surface of the water in this cistern at the rear of the home of Delner Sampsel, 137 Vale avenue, yesterday. Police are searching for a former roomer at the Vale avenue home who is believed to be the mother of the child.

Area Legislators Split House Tables Oleo Bill By 74-56 Vote

Area representatives in the state legislature split by a five to two vote yesterday as the House voted to table the measure to permit the sale of colored oleo.

The tabling, tantamount to killing of the bill, passed by a 74-56 vote. George Kirkpatrick (R-Knox), J. Wesley Masters (R-Morrow), J. Frank McClure (R-Ashland), Carl Baker (D-Crawford), and Ray White (D-Holmes) voted to table the measure.

Taking a stand against killing the bill were Clifford Mitchell, Richland county Democrat, and Frank Pierce, (R-Huron).

Proponents haven't abandoned hope completely, but their chances for success appeared slim. Three members changed their votes against tabling so they could ask reconsideration of the motion later.

Motions to reconsider must be made within two legislative days. Only a majority vote is required on such motions to revive the bill.

Sixty-eight votes then would be needed to pass the bill but the original tally on the tabling motion shows proponents were nine votes short.

SEE REFERENDUM

Death of the bill all but assures that voters will be asked to decide the question next November. The measure came before the legislature by initiative petition. Sponsors obtained more than 200,000 valid signatures. They need only 69,113 more for a referendum on the proposal in the next election.

Rep. Gordon C. Renner (R-Hamilton) indicated the yellow oleo question would be on the ballot this fall. He was one of those switching votes to be able to ask reconsideration. The others were Reps. Bishop Kilpatrick (D-Drumhill) and Mark McElroy (D-Cuyahoga).

The motion to table came from Rep. Paul Hinkle (D-Mercer). It ended nearly two hours of debate by a dozen speakers before others wanting to talk could be heard.

Mansfielders Keep Register Tinkling Battle Looms Over Sales of 5c Beer

Despite an impending battle over the source of supply, Mansfielders continued to enjoy their nickel beer today.

The 'half-priced suds' were put on sale last week by the proprietors of Elina's Lunch, 58 East Fourth street. Business boomed and the cash register kept ringing up five-cent sales.

Today, however, a restaurant spokesman declared the Richland county Permit association has banded together to halt the sale of the nickel beers. The same spokesman said the association has threatened beer distributors in Mansfield by declaring the mem-

Pastor Held In Slaying Charged With Murdering Wife

ROCHESTER, N. Y. — (UP) — The Rev. George Paul Hetenyi, 40, an Episcopal minister, declared his innocence today of the slaying of his 25-year-old wife whose bullet-riddled body was found in the Genesee River.

But the husky, handsome Hungarian minister was charged with her slaying and held for arraignment next Wednesday.

"I did not murder my wife. I am innocent," he said last night when he was taken before Judge Daniel J. O'Mara.

Hetenyi, whose home is at Amherst, N. Y., told O'Mara that Bishop Lauriston Scafe informed him that a prominent Buffalo attorney had been engaged in his behalf. O'Mara adjourned the arraignment for a week to allow the attorney to confer with the clergyman.

However, William Morey, chancellor of the diocese, denied that the bishop had arranged for an attorney to represent Hetenyi.

"This trial is of Rev. Hetenyi's personal life and has no connection with his ministry. Besides, he is still canonically in residence of Dallas, Tex., Morey said.

"Our case is complete," District Attorney Anthony Micelli said. But a motive for the killing has not yet been discovered.

Urge Curb On State's Reds

COLUMBUS — (AP) — The Ohio Senate today received a bill to make it unlawful for communists or members of the communist-front organizations to hold public office or teach school in Ohio.

The measure was introduced by Senators Joseph W. Bartunek (D-Cuyahoga) and Fred R. Seibert (R-Auglaize).

The bill would require elective and appointive state officials and school teachers to give a non-communist oath.

Claim Ambassador's Sight Can Be Saved

LONDON — (INS) — The U. S. Embassy announced today that physicians believe Ambassador Lewis W. Douglas' left eye, pierced by a fishhook several weeks ago, can be saved.

The announcement said that the physicians report slow but marked improvement in the condition of the eye.

Knappenberger and Elina Printz, co-owners claim business has boomed to the extent that they now have to close the restaurant each morning to give employees a chance to recuperate.

One of the bartenders at the cafe added more fuel to the fire by asserting that the local bartender's union, Local 270, AFL, opposes the sale of nickel beer because the smaller glasses make it harder to draw and creates more work for the bartenders.

The controversy is beginning to warm up, but Mansfielders are cooling off—with nickel beer.

Police Hunt Mother of Newborn Child

Mansfield police today sought the mother of a baby boy whose body was found in a cistern at the rear of 137 Vale avenue yesterday afternoon.

The body was removed by police after they were notified by Mrs. Delner Sampsel, at the Vale avenue address.

The child apparently was newborn and had been dead only a few hours when the body was found, police said.

Mrs. Sampsel reported to police yesterday afternoon she had discovered what she thought was the body of a baby in a cistern at the rear of her home.

She told police she began investigating when she found a woman's skirt and sweater covered with what looked like blood stains in the bathtub at her home yesterday morning.

She said she learned from her husband a former woman roomer had been at the house about 10:30 p. m. the day before and had left a short time later.

Police said Mrs. Sampsel told them the clothing led her to believe a baby might have been disposed of since she knew one of her former roomers was pregnant.

Mrs. Sampsel said the woman, about 22, had roomed at her home for two years before Mrs. Sampsel asked her to leave two months ago when she discovered the roomer was pregnant. Mrs. Sampsel said she believed the young woman was single.

Water in the cistern where the body was found was about 10 feet from the top. A neighbor of the Sampseles told a News-Journal reporter the tiny body was found about 18 inches below the surface of the water.

When a News-Journal reporter visited the scene today, the cistern was covered by a large board held down by two big stones.

Police withheld a description of the young woman they are seeking.

Dr. D. C. Lavender, Richland county coroner, said he performed an autopsy on the child but he declined to reveal his findings today, pending further investigation by police.

Sampsel said he was in bed about 10:30 p. m. Tuesday when he heard the dog barking and went downstairs to investigate. He said the former roomer was standing inside the house dripping wet from the rain outside.

Sampsel said he was not too surprised to see her since she had been in the habit of visiting about once a week. However, he asked her why she was out in the rain. She told him she wanted some exercise, he said.

According to Sampsel the girl went next door to get some newspapers and after her return he went back to bed.

Mrs. Sampsel was at work and did not return until about 1:30 a. m., Sampsel said. The girl was gone when she returned home.

Sampsel said the board and stones were on top of the well when the body was discovered. He said he and Mrs. Sampsel noticed they looked like they had been moved, leading them to investigate.

The child's body was removed to the Wappner Funeral home. Funeral arrangements were incomplete this afternoon.

Reds Closing Escape Routes

SHANGHAI — (AP) — The escape gate from communist threatened Shanghai began closing slowly today.

For foreigners, the last ships were preparing the get underway. For the Chinese, land routes were coming under Red troop domination. Airplanes still took out refugees over land and sea.

The American liner President Wilson, likely to be the last liner to call here for some time, sailed down the Whangpoo this afternoon. Aboard were 300 evacuees, 150 of them American.

Those Americans who elected to stay in Shanghai — some 1,500 of them — are now here come what may.

One small U. S. Navy craft during the afternoon took a few straggler refugees down the river to the hospital ship refuge. Navy sources hinted that may be the last boat out.

Considering Strike

DETROIT — (UP) — The international executive board of the United Automobile Workers (CIO) meets today to decide whether 62,000 employees of the Ford Motor company's River Rouge plant will strike.

Compromise Hinted On T-H Repeal

Two-Day Debate Draws to Close

WASHINGTON — (UP) — Administration forces appeared ready today to accept some amendments to the Taft-Hartley repeal bill in an effort to pick up enough votes to assure its passage.

Chairman John Lesinski, D-Mich., of the House Labor committee disclosed the administration position as the House wound up two days of general debate on the measure prepared to consider amendments.

"There may be some amendments to which I would have no objections," Lesinski said, "but I will absolutely refuse to accept injunctions."

He referred to efforts to retain the injunction provisions of the Taft-Hartley law in any new legislation that is passed.

Amendments which the administration reportedly may accept include strengthening a provision to set up 30-day "cooling off" periods in national emergency strikes, a "free speech" guarantee for employers, a requirement that both employers and employees bargain in good faith, and a requirement that both employers and union officers take "loyalty oaths" before bringing a case before the National Labor Relations board.

The administration forces are fighting for a bill that would wipe the Taft-Hartley law off the statute books and replace it with a revised version of the Wagner act.

A coalition of Republicans and southern Democrats are backing a measure that would repeal the Taft-Hartley law in name but would re-enact most of its provisions.

The coalition concedes that it has lost some votes as a result of the administration's decision to accept some amendments to the repealer.

Cancer Fund Tag Day Set

Charles K. Spreng, general chairman of the campaign to raise \$18,000 for cancer control in Mansfield, announced today there will be a cancer tag day Saturday.

Spreng said the tag day is being held to give all Mansfielders who have not yet contributed to the campaign a chance to give.

Campaign workers will be on downtown streets during business hours Saturday.

This morning campaign headquarters announced a total of \$2,159 has been received. Of the total amount, \$920 was reported by the industrial division, headed by co-chairmen Frank Berkey and John M. Schroeder. The remaining \$1,239 was reported by the commercial division, headed by Charles A. Hand.

Last night the campaign received a contribution of \$300 from the Roderick Lean civic fund of Farm Tools, Inc.

RESIGNS FROM UN POST

LAKE SUCCESS, N. Y. — (INS) — Arkady A. Sobolev, assistant U. N. secretary general in charge of security council affairs, today cabled his resignation.

Galion, Ashland Schedule Clean-Up Week Campaigns

Mayors Ask Citizens To Participate

City Trucks Slated To Perform Service

GALION—This city will launch a clean-up, paint-up, and fix-up drive next week. It was announced today by Mayor H. H. Hartmann.

Residents of the city are asked to ransack their attics for accumulated rags, paper and other rubbish, and place this at the curbs where city trucks can collect it.

In making the collections, the city will be divided into four sections, the mayor said, and a schedule of "pick-up" days will be published later.

The mayor is anxious that all rubbish which might cause fire, sickness and disease, be discarded by householders. Mayor Hartmann also is desirous that residents take this opportunity to clean up their yards and alleys, or any part of their premises where there is a clutter that might endanger the health and welfare of the community.

He is suggesting that clean-up week also be the incentive for residents to make other improvements such as repairs and painting.

Neglect on the part of a householder to repair steps, floors, and other parts of the house, may result in accidents, and for this reason the mayor is urging citizens to also take the week for remedial jobs.

ASHLAND—Clean up week for Ashland has been set for May 9-13. It was announced today by Mayor Louis E. Mansfield.

City trucks will gather up trash placed at curbs during designated periods in each city ward. No return calls will be made for rubbish placed at curbs later than designated days, the mayor announced.

See Lengthy Bribe Trial

COLUMBUS — (UP) — That the trial of two men accused of paying bribes from liquor permit applicants may take up the better part of two weeks was indicated today as the state continued to call witnesses.

The state was expected to take the remainder of the week in presenting its case against A. E. Oppenheimer, former chief permit examiner in the State Liquor department, and Hugh Ruel, Scioto county Republican chairman. Oppenheimer is accused of soliciting and accepting bribes while Ruel is charged with soliciting a bribe.

Still to be called by the state was Howard McCall Springfield night club owner who claims he paid Oppenheimer \$300 to speed up issuance of his night club permit.

The trial now in its fourth day before Judge Cecil J. Randall has been featured by frequent clashes between opposing law-vers-Stanley Schwartz Oppenheimer's counsel and Paul Herbert, who represents Ruel. He have contested vigorously nearly every piece of evidence the state has sought to offer.

Odd Bills Confront State Legislators

CHICAGO — State legislators don't handle bills in odd lots, but they handle lots of odd ones.

Take a look at a few brand new laws.

You can't hunt while drunk in North Dakota.

But, if you're a volunteer fireman on the way to a fire in New York state, you can display a blue light on the front of your car.

Baseball games, horse races and other sports events that start after noon on Memorial day now are legal in Nebraska. A 1905 statute had banned such diversions on the holiday.

You can start fishing in April, instead of June, in a place in Massachusetts known as Lake Chagogagagoggman chauggagoggchaubuna gungumaugg. A solon said the name, translated from Indian, means: "You fish on your side, I fish on my side—nobody fishes in the middle."

Many unusual measures were introduced in other legislatures this year. The lawmakers may have greeted each one with the comment: "That's one for the books." But they didn't seem to be in any hurry to put them there.

Bills that still were alive late in the season demanded:

Regular fumigation of Pennsylvania telephone booths and taxicabs.

A cuspidor in every room in every public building in Illinois.

Tickets for public events in Michigan that would carry a clear notice if the seat is behind a post.

Spray deflectors on trucks and busses in Pennsylvania to keep them from splashing the windshield of vehicles behind them.

Here are some singular suggestions that were killed or allowed to die:

A proposal to make Maine auto licenses in the shape of potatoes. The sponsor said it would make Idaho "green with envy."

A plan to build walls 20 feet high around Indiana nudist camps—and to limit their operations to December, January and February.

A move to make Labor day the third Monday in September in Wisconsin and thus add a couple of weeks to the state's summer resort season.

A bill to require a skill and crossbones poison label on liquor sold in Iowa.

Oregon had a chance to confine the crunch and crackle in movie houses to marching troops and trigger happy cowboys on the screen. But death in a committee room came to a bill to prohibit the eating of popcorn in theatres.

Rainbow Division Vets Plan Supper Saturday

The Luther Swigart Chapter of the Rainbow Division Veterans will hold a covered-dish supper at Prospect park Saturday at 7 p. m.

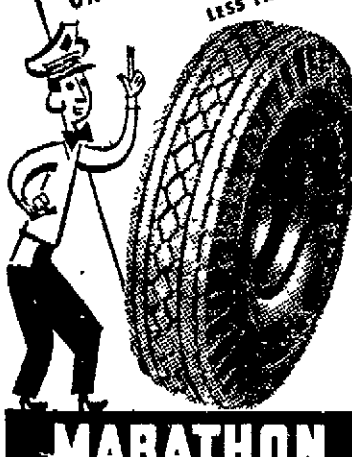

The veterans' organization will hold its regular meeting following the dinner.

LEGAL NOTICE
Notices is hereby given that Earl Daniel Parrot of Lucas, Richland County, Ohio, will file his petition in the Probate Court of said county praying for an order of said Court authorizing the change of his name from Earl Daniel Parrot to Earl Daniel Henry, said petition will be for hearing before said Court on the 22nd day of May, 1949 at 10:00 A. M. or as soon thereafter as the Court may hear the same.

Hospital Sponsors Tea

Mansfield General hospital will sponsor a tea for all girls in this area who are interested in nursing and are considering entering the fall class at General hospital, Wayne A. Copeland, superintendent of the hospital, has announced.

The tea will be held at the

nurses' home May 7 from 2 to 5 p. m.

It will climax a series of visits which members of the nurses training faculty have made to 40, high schools in this area. Faculty members spoke to junior and senior classes at the schools about nursing in general and about training at General hospital.

The Academie Francaise was founded by Cardinal Richelieu in 1635.

LEGAL NOTICE
Bids for Additions and Alterations to Mansfield Public Library, Mansfield, Richland County, Ohio, will be received by the Board of Trustees of the Mansfield City School District Public Library, at the office of the Clerk, Miss Lois MacKellar, Public Library, 43 West Third Street, Mansfield, Ohio, until Twelve O'Clock (12:00) Noon, E. S. T. Friday, May 27, 1949 for General Construction Work, Plumbing, Heating, Ventilating, Electrical Work and Elevators in connection with additions and alterations to the Public Library Building in said District.

Plans and Specifications are on file with the Clerk at Mansfield, Ohio, and may be secured, together with Bidding Forms and Information to Bidders from the Architect Herbert S. Jones, Farmers Bank Building, Mansfield, Ohio. When proposals are filed they may not be withdrawn for a period of thirty (30) days after the scheduled date of receiving bids.

Proposals to be publicly opened and read at a meeting of the said Board of Trustees held immediately after the closing time for the receipt of bids in the office of the Clerk and the Board of Trustees in the Public Library Building.

Proposals shall be on Bidding Forms provided to be written with ink or typewriter signed by the individual bidder or an officer of company bidding and accompanied by a certified check or a bid bond in an amount equaling Five Per Cent (5%) of the total work bid upon, made out to the Clerk of the Board of Trustees and shall be filed with the Clerk not later than the closing date stated. Seal bid and endorse Bid for Additions and Alterations to Mansfield Public Library.

The Board of Trustees reserves the right to reject any or all bids and to waive informalities.

BOARD OF TRUSTEES OF MANSFIELD CITY SCHOOL DISTRICT PUBLIC LIBRARY
(Signed)
WM. McE. WELDON, President.
(Attest)
LOIS MAC KELLAR, Clerk
(April 28, May 5, 12, 19, N.J. 49)

LEGAL NOTICE
Sealed bids will be received by the Village Council of the Village of Lucas, Richland County, Ohio for the sale of the Village Hall, a frame two-story building located on Lot Number 118 on Union street in the village of Lucas, Richland County, Ohio at the office of Village Clerk, until 7:00 P. M. (E. S. T.) on May 5, 1949 said building to be removed from said premises within thirty days from letting of contract. Bids to be filed with the Clerk accompanied by a certified check in the amount equal to one-half of the bid price and the balance upon letting of contract.

Council reserves the right to reject any or all bids.

WALTER PRITCHARD Mayor
L. V. SNIDER, Clerk
(March 31, April 7, 14, 21, 28, N.J. 49)

LEGAL NOTICE
Sealed bids will be received by the Director of Public Service-Safety of the City of Mansfield, Ohio, at the office of the said Director, until 12 o'clock noon, E. S. T. May 16, 1949, for the improvement of various departments of the City of Mansfield, Ohio, by the furnishing of one hundred seventy four thousand dollars (\$174,000.00) of fire and extended coverage insurance on all property of the City of Mansfield, Ohio, excepting vehicular equipment to become effective on expiration of current coverages.

Envelopes must be plainly marked "Bid for Insurance on City Property". Bids may be presented in letter form and each bid must contain the full name of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the sum of \$50.00 payable to the Director of Public Service-Safety of the City of Mansfield, Ohio, as a guaranty that if the bid is accepted a contract will be entered into and its performance properly secured. Should any bid be rejected such check will be forthwith returned to the bidder and should any bid be accepted such check will be returned upon proper execution and securing of the contract.

The City of Mansfield, Ohio, reserves the right to reject any and all bids.

By Order of the Director of Public Service-Safety
Authorized by Resolution No. 49-51,
E. T. GARRISON, Director
City of Mansfield, Ohio.

Fill in voids left by dying weeds with triple cleaned SCOTTS LAWN SEED.

"I crown the king of beers", says Gauder

The freshly-crowned bottles march under Mike Gauder's experienced eye, en route to the pasteurizer.

The bottles Mike Gauder is watching have just come from the crowner. Those parading behind his back are sparkling clean and sterile, fresh from the washer and soaker. At the right, you can see the bottles on the filler.

The beer itself has just come from its long, slow aging—a process that just can't be hurried. The beer rests in huge glass-lined tanks which are deep in dark, cool cellars, while nature helps it take on the flavor that Burkhardt's is famous for.

Here the beer is still cool—under 40 degrees—when it comes to Gauder's station at the filler. It has to be cool, so it doesn't lose its carbonation and sparkle when it pours into the bottles and cans.

Then the filler must handle it just right, so no air is left in the bottle. And each bottle is crowned with a seal that's lined with an aluminum spot—an extra protection to guard the Burkhardt flavor.

All these machines pretty much run themselves. Sometimes Gauder doesn't seem to be watching them, but he's alert every minute. And, of course, every single bottle goes past an inspector before it slides into the pasteurizer.

Gauder is familiar with all this equipment

along the bottling line, because he's been with us since 1941 except for the time he spent in the Army. His job often takes him from one position to another just like a top flight utility man on a ball club.

Gauder was born and raised in Akron, and he's been married to an Akron girl for nearly a year. Together, they're spending a lot of time sprucing up their home at 457 Lamparter Street where Mike's special concern through the good growing weather was his rock garden which rises to a height of ten feet.

In the wintertime, he gets his recreation on the bowling alley. Last season, he was good enough to bowl with the Sons of Herman team which gave a good account of itself in its league.

We're proud to have men like Gauder working with us. Proud to see the care with which he watches the machines that seal in the Burkhardt flavor so it always reaches you at its peak.

We're proud of the interest that men like Gauder take in their work. We believe this is the extra—added to superb ingredients—that gives Burkhardt's the distinctive flavor that so many people like best.

Girls Put Up Howl as Housing Is Threatened

WASHINGTON — (UP) — The government, which has a lot to learn about women, is trying to shut down "girls town" here.

"Girls town" consists of war-built dormitories — Arlington Farms on the sunny Virginia side of the Potomac river and Langston Hall in the district itself.

The dormitories house low-salaried women government employees. Arlington Farms houses about 3600 girls and Langston Hall about 300.

The Public Housing authority, which financed construction of the dormitories, says they are running in the red. Moreover, it contends, the buildings were put up to meet only a temporary wartime housing emergency.

But the G-girls are putting up a howl and a fight. They have elected a committee to protest the evictions on the grounds that the wartime emergency housing situation still exists. They have held mass meetings at which they offered to pay a rent increase. They are besieging congressmen and protesting to the White House. They are enlisting the aid of the agencies they work for. They threaten to go back home.

The Public Housing administration first started a move toward shutting down the dorms last year. But the protests, from the girls and the agencies employing them blocked that.

Arlington Farms and Langston Hall, were set up on the idea that if the government wanted to recruit girls from all over the country, the least that could be offered was a place to live that would fit both the salaries of lower bracket workers and their needs.

They are spread out pleasantly like university campuses and

each is a community within itself. There is no more privacy than in the usual university dormitory — but there are no curfews either. No one earning more than \$2,720 annually can rent a room in the dormitories.

Wherry Blasts U. S. Spending

WASHINGTON — (INS) — Senate Minority Leader Wherry (R) Neb., declared today that there is "not a Chinaman's chance" of averting a tax increase this year if the Senate continues its spending "spree."

Wherry said the Senate's action of "Wednesday convinced him the federal deficit 'is going to be a lot worse' than the three billion figure estimated by Sen. Byrd (D) Va.

The Senate yesterday voted to give the national Cancer and heart institutes their third boost in federal funds since their money requests started through the congressional mill.

WARREN — (UP) — Jewelry worth \$3,000 was stolen from his automobile while in a hotel parking lot, E. J. Malone of Niles, Mich. told police yesterday.

Set Meeting In Trucking Dispute

AKRON — (INS) — A meeting will be held in Columbus Monday in connection with alleged discrimination of truckers

over weight laws which resulted in a "park-down" protest of more than 3,000 trucks on Ohio highways.

Lyle M. Rohrback, president of the United Truck Owners of America, incorporated, announced in Akron early today that an agreement had been reached for the Monday meeting and urged all truck owners to resume operations at once.

The organization had called the 48-hour protest in the form of a truck "park-down" which was to end at 7 a. m. tomorrow.

Turks Aroused By Tea Party

ISTANBUL — (UP) — A tea party at which, Istanbul newspapers charged, American sailors "corrupted" Turkish school girls threatened Turkish-American relations today.

Public outcry against the tea party has reached such proportions the Prime Minister Shemsettin Gunaltay has agreed to make a personal explanation in parliament this week.

The party was given April 20 at the American Young Men's Christian association for American sailors who delivered the destroyers Buchanan and McCauley to Turkey under the military aid program. Forty Turkish school girls were invited for tea and dancing.

Surrenders In Death of Wife

TOLEDO — (INS) — Clayton Remington, 39, was held in Lucas county jail today in connection with the slaying of his pretty, red-haired wife, Marion.

Remington walked into the state highway patrol office at nearby Perrysburg late yesterday and said: "I am Clayton Remington."

The chain-bound body of his 32-year-old wife, a factory worker, was found in a quarry about eight miles south of Toledo Tuesday.

Capt. Ralph Murphy charged that Remington killed his wife while on a drunken spree in their apartment and dumped her body in the quarry two days later.

Building Programs Approved

States Launch Costly Projects

By The Associated Press—The states plan to spend many millions for construction and improvement projects.

Outlays that add up to \$1,400,000,000 already have been approved by legislatures in 17 states. Blueprints that involve \$1,400,000,000 have been laid before lawmakers in 18 other states. The total comes to \$2,800,000,000.

The money will be spent to build, repair or expand highways, office and school buildings, hospitals, prisons, bridges, parks, ports and other kinds of public property.

About half the total — \$1,300,000,000 — has been earmarked for roads. Other sizable sums include \$293,000,000 for mental hospitals and \$337,000,000 for school buildings.

What's the reason for the heavy spending?

Gov. Thomas E. Dewey of New York put it this way: "The long years of depression and the war years and postwar inflation have put our state deeply in a hole for its plant and equipment. It is up to us to get out."

The New York legislature decided to spend \$431,800,000, including \$341,900,000 from a post-war reconstruction fund, on highways, hospitals and other public works.

Reports from Associated Press correspondents in state capitals show that most states plan to go ahead without waiting to see if prices will drop.

But some states are keeping a tight grip on their purses. Nevada's legislators authorized only one building. Proposals to toss \$32,000,000 in the construction kitty were introduced in Utah, but those approved came to only \$71,000.

On the other side of the ledger are plans that run into nine figures. A record \$305,000,000 is being allocated for construction work on Pennsylvania's 40,000-mile road system, the largest of any state in the union.

The bulk of the millions appropriated for schools will go to colleges. But the Maryland legislature adopted a \$70,000,000 program to help counties build schools. The fund includes \$20,000,000 for aid in gift form. The state will put up \$1 for each \$3 of county money spent for school construction. The rest can be used for low interest loans to counties.

A small amount of leftover ham and a small quantity of leftover or canned chicken may be combined in a mushroom cream sauce and served over hot cornbread squares for a delicious Sunday night supper dish.

Tests Frequently Show Why Children Lag In School Studies

Electronic Device Reveals City-County Pupils' Hearing Defects

HEARING TEST—James Boyd, Rummell road, pupil at Newman school, is shown taking a hearing test with one of the health department's audiometers. Public Health Nurse Mrs. Florence Sherer is giving the test. The youth's up-raised finger is a signal that he hears the tone emitted by the machine.

Students Will Hear Democratic Leader

DELAWARE — (UP) — Vincent M. Gaughan, executive director of the Young Democratic Clubs of America, came here today to tell Ohio Wesleyan students what makes the Democratic party tick.

The 29-year-old Buffalo, N. Y., war veteran will be the main speaker during "Democratic day," sponsored by Wesleyan's Institute of Practical Politics. A "Republican day" was held on the campus last month with Hugh D. Scott, national Republican chairman, the main speaker.

Boxcars Solving Homes Shortage

FORT HALL, Ida. (UP) — The railroad "boxcar miracle" is easing the housing shortage in southern Idaho.

Homeless persons are buying abandoned boxcars at from \$75 to \$100. The weather-proof old cars are then transported to a home site.

A cement foundation makes them livable. Rail boxcar "homeowners" say the wheels have salvage value. It takes only a few hundred dollars to convert a boxcar to a home.

To make a quick dessert, turn a can of applesauce into a baking dish. Top with graham cracker crumbs that have been

mixed with brown sugar and Bake in a moderate oven unmelted butter or margarine, til heated through.

HOME OF OSCAR, REPUTABLE DIAMOND EXPERT
122 N. Main St. Phone 1508-9

By GAYLORD HAKE

A machine that resembles a portable radio in appearance has uncovered the fact that many children in Mansfield and Richland county schools have defective hearing.

Two audiometers were put into use in the schools March 15. They were donated to the Mansfield-Richland County Board of Health by the Exchange and Co-operative clubs.

The procedure for using the electronic hearing testers is simple. The pupil puts on the ear phones and the nurse touches a switch which causes the machine to emit a sound. If the pupil hears it, his hearing is all right.

If he can't hear the sounds in this first screening test, his name is listed and later he receives a complete test.

In that test his hearing is charted. It is discovered just how poor it is, and at what tone range his hearing is deficient.

The audiometer is set for various tone ranges and degrees of loudness.

ONE-FOURTH SHOW DEFECTS

One out of every four children in Mansfield and Richland county schools tested for hearing showed some sign of a hearing loss.

Armed with the two audiometers, the health department tested hearing of 2,050 children and found 500 with hearing not up to

Voters To Decide Oleo Issue

NEXT STEP in the controversy over whether or not the sale of colored oleo will be permitted in Ohio, as it already is in a number of other states, will be to secure additional signers to petitions to place this issue on the ballot at the November election.

The lower house of the state legislature tabled the initiated measure late yesterday afternoon by a vote of 74 to 36, which is regarded as the anticipated defeat of the bill which was earlier passed by the state senate.

Party lines were disregarded in the voting as 24 Democrats joined 50 Republicans in voting to table the bill while 44 Democrats and 12 Republicans favored legalizing the sale of colored oleo.

The question reached the legislature as an initiated measure, by petition of voters, and quick action is expected in securing the additional 70,000 signatures required to bring the issue to a vote next fall.

Effort to Regulate Competition

THE Civil Aeronautics Board has announced more strict regulations for determining the status of aircraft operators who will be licensed to provide irregular commercial service, which is non-scheduled service in contrast with the scheduled flights maintained on a time-table basis by the regular lines. The Board said some of the large irregular carriers are running flights on regular schedules, an accomplishment which may be a convenience to their customers but was not intended to be authorized in their licenses.

It is logical enough that the Board would tighten the rules, but its reasoning makes the observer pause. The Board complained that some of the irregular operators have come into direct competition with the regular lines. An operator keeping up regular flights should be made to conform with the safety, maintenance and flight regulations which govern other scheduled flying. That makes sense.

But it does not make quite so much sense to restrict such operators for the reason that they are offering competition to the regular lines.

Unquestionably it is the proper function of the Civil Aeronautics Board, as a federal agency, to regulate air traffic so as to assure the greatest possible safety for passengers and cargo, and to assure the reliability and responsibility of aircraft operators. But why should a federal agency have and exercise the power to regulate competition?

Relief Hampered By Red Tape

CERTAINLY no better evidence is needed to show that Richland county should have a coordinator of its various relief agencies than the incident that happened yesterday. A family, the father ill and the others receiving public support, needed sheets and pillow cases badly because of a measles epidemic.

The plea was shunted from one agency to another with no one being able to do anything about it because of policies and regulations within each unit.

What is clearly needed is one authority who can cut across this red tape and get something done promptly instead of wasting hours in appeals, arguments, and rule splitting.

In this instance The News-Journal carried a public appeal to help with a task which could have been done in five minutes by a competent person with authority to act.

Ways To Prevent Burglaries

FREQUENCY of reports of burglaries of homes during absence of families leads to compiling of suggestions by police authorities on safeguards against such occurrences.

Householders are advised, as a precaution, to tell the people living next door that you are "going out," and to advise them of probable time of return—also asking them to call the police if they see or hear anything suspicious.

Other suggestions are: Leave lights on and shades up; leave radio turned on—anything to inspire doubt in a prowler that the house is unoccupied.

Neighborly co-operation is recognized as an important factor in detecting suspicious persons in a residential section—and where such interest is shown experience has been that burglaries become a rarity.

Another Prodigal Returns

THE BOTTOM seems to be dropping out of Henry Wallace's Progressive party. Rexford G. Tugwell, one of the Roosevelt brain-trusters and chairman of the Wallace national convention, recently decided there were too many communists in the movement to suit him, and said he would have no more to do with it. Now Senator Glen Taylor of Idaho, who was Wallace's running mate in the presidential race, announces that he will run for re-election to the Senate in 1950 as a Democrat, not as a Progressive.

He thus repeats the story of his neighbor, former Senator Burton K. Wheeler of Montana, who ran for vice-president in 1924 on the independent ticket headed by Senator Robert M. La Follette and immediately afterward returned to the Democratic fold.

In View of the News

Vishinsky To Appear In His New Role

By J. C. OESTREICHER

AN INTERESTING experiment in human psychology is promised for the near future when the Big Four council of foreign ministers meets again as a result of Soviet Russia's professed willingness to lift the Berlin blockade.

The central figure will be Andrei Y. Vishinsky. It will be his first appearance as leading Soviet spokesman at a Big Four meeting in his capacity as Russian foreign minister.

And the world may have its first chance to learning just what Premier Marshal Stalin intended when he shook up his government recently, putting Vishinsky in the place of Foreign Minister V. M. Molotov and making the latter his own chief foreign advisor.

Vishinsky is being placed in a position where he becomes the real symbol of Soviet foreign policy so far as relations with the western allies are concerned and the picture he presents cannot fail to be a fascinating one.

The Big Four have not met since January, 1947, when the then Secretary of State Marshall grew sick and tired of the fact that Molotov had turned the conference into a sounding board for Soviet propaganda and told him so.

That was the end of the London session. Many things have changed during the last two years and a half and in recent months, largely because of the Berlin airlift and the allied counter-blockade, Russia has shown an increasing desire to bring the Big Four together again.

With the aid of so-called "peace congresses" and by other means the Soviets have been trying hard within recent weeks to prove to the masses that they are not aggressive. These steps now appear as definite preparatory moves for what now has taken place.

The allies never opposed a new four-power meeting on Germany. They merely insisted that the blockade be lifted first. This the Russians have promised to do and a new vista of contemporary history has been opened.

Raymond Moley's Analysis

Traders Fear Regulation of Exchanges

NEW ORLEANS — During a quiet moment on the floor of the New Orleans stock exchange, a member remarked to this reporter: "I guess they are waiting for something to happen to Secretary Brannan."

This remark, however facetious, reflects the apprehension of cotton traders since the announcement of the gradiose plan of the department of agriculture. Cotton traders expect that the next move of government will be an attempt to get further regulation to effectuate President Truman's desire to crack down on trading in the commodity exchanges.

The recent Truman-Brannan agricultural plan, clearly designed for its political effect, suggests that further political favors among small farmers will be sought through the restriction of trading in futures.

Since the days of William Jennings Bryan, politicians have constantly exploited the notion among farmers that in some way they are the victims of speculators; and among the consumers that high prices are caused by trading in futures.

Fifty years of argument have not dissolved this notion, despite the economic reasons for such trading.

Meanwhile, the exchanges have developed a strong measure of self-regulation. They regulate the size of margins and to a degree, the amount of holdings. And their means of disciplining members have never been more effective.

Advantages Explained.

IT BECOMES clear to anyone, who will study the operation of commodity exchanges, that a broad and active market in futures is essential.

Rev. C. L. Burghard, assistant pastor of First Christian church, preached farewell sermon before going to Kenton pastorate.

C. C. Rusk, 29 Mansfield avenue, reported to police \$4.36 has been stolen from milk bottle on his porch.

Robert Doerr, 212 South Mulberry street, was injured in auto collision on Park avenue east road.

Miss Margery Watters, Oberlin Baptist, gave program at Park avenue Baptist church.

Mr. and Mrs. J. C. Calver, 124 East Temple court, received letter from son Ernest, in military service in Honolulu.

Miss Gladys Olinger, student at St. Luke's hospital, was visiting her parents here.

Mr. and Mrs. F. B. Neiman returned from wedding trip to Pittsburgh and Altoona.

When a President goes to an auditorium to make a speech, too many go there to see him. Too many go to see Key West, too many go there to see him. And when he goes to Jackson day dinners, too many go there to see him. You don't seem to worry overmuch about the frame of mind, there, Harry.

You could just come in at the last minute, unannounced, and take a back seat. Or you could go to church in a heavy Republican neighborhood. Nobody would turn a head.

DR. HAROLD J. LASKI, British labor party leader: "The need we all confront is to make democracy democratic. Democracy means participation. It thus becomes urgent for trade unionists to make sure that their members actively participate in the political life of their community."

PAUL REYNAUD, former French premier: "The blockade of Berlin was a kind of small war in itself and the war is now lost for the Soviet union."

SENATOR JOSEPH C. O'MAHONEY, Wyoming Democrat: "It is my firm belief that the policy of the Kremlin is not based on any plan to make war with the United States. It is based on the conviction that because of stupidity the leaders of capitalism cannot avoid a depression."

Today in history: On April 28, 1814, Napoleon Bonaparte was exiled to the island of Elba, with an income of 2,000,000 francs.

DR. HAROLD J. LASKI, British labor party leader: "The need we all confront is to make democracy democratic. Democracy means participation. It thus becomes urgent for trade unionists to make sure that their members actively participate in the political life of their community."

PAUL REYNAUD, former French premier: "The blockade of Berlin was a kind of small war in itself and the war is now lost for the Soviet union."

SENATOR JOSEPH C. O'MAHONEY, Wyoming Democrat: "It is my firm belief that the policy of the Kremlin is not based on any plan to make war with the United States. It is based on the conviction that because of stupidity the leaders of capitalism cannot avoid a depression."

Today in history: On April 28, 1814, Napoleon Bonaparte was exiled to the island of Elba, with an income of 2,000,000 francs.

CIO Endorses Huber Bill To Extend Time On GI Benefits

WASHINGTON — (UP) — The CIO yesterday called for passage of pending legislation to permit jobless veterans of World War II to continue receiving unemployment compensation under the GI Bill of Rights after July 25.

CIO legislative representative Nathan E. Cowan noted in a statement that under the GI bill an unemployed veteran may receive compensation only within two years after his discharge or two years after the end of the war, whichever is later.

For most veterans, he said, the eligibility period will come to an end on the July date. Cowan endorsed legislation by Rep. Walter Huber, D., O., which would extend the "cut off" date until July 25, 1954.

Scouts Plan Sixth Annual Dinner

Mansfield Scout Troop No. 3 will hold its sixth annual covered-dish dinner Friday at 6:30 p. m. in the Prospect park pavilion, J. J. Swisher, scoutmaster of Troop No. 3 announced today.

W. C. Mead, president of the Johnny Appleseed Scout area council, will address the Scouts and parents upon "Cooperation Between the Parents and the Troop's Program."

DONATIONS RECEIVED FOR CANCER FUND AT TEA

**Mrs. Mary K. Metzger Entertains at Home
Wednesday With Open Tea and Program.**

DR. W. E. WYGANT spoke at both the afternoon and evening teas held by Mrs. Mary K. Metzger, 818 Park avenue west, Wednesday afternoon and evening. The tea was held in an effort to help the cancer fund drive which is now being held.

The doctor said that 1,189 women and 370 men have taken advantage of the local cancer clinic held every Tuesday evening at the General hospital. Of the 1,539 examined, 16 were found to have positive tests for cancer.

Two hundred and 35 people were told to contact their own physician for further check for the disease, but only 20% of the 235 have gone to their doctors.

"The clinic not only informs a person as to whether he has cancer or not, but also if he has any other disease or abnormality," Dr. Wygant said.

Women over forty are advised to have a check up every six months, but due to the large amounts of persons attending each Tuesday morning, an appointment is usually made for these middle aged women once a year.

A total of forty-six dollars, with a promise of more, was collected by Mrs. Metzger for the cancer fund drive.

DIVISION MEETING

Mrs. Harry Packham, 436 Stewart lane, was hostess Wednesday to members of Division Three of the United Presbyterian church. Mrs. Packham led devotions and Mrs. A. E. Courtney conducted the business session. The remainder of the meeting was spent socially. At a late hour refreshments were served buffet style. The next meeting will take place May 25 at the home of Mrs. E. D. Craig 643 Bowman street.

If you are buying salmon steaks to serve for a family supper allow one-third pound for each serving. The steaks are delicious served with sour cream flavored with a little onion juice, salt and sugar.

It's Purely Personal

Have You Heard . . .

By OLIVE GRESMER

Mr. and Mrs. W. S. Cocanour, Ashland, R. D. 1, are announcing the engagement of their daughter, Mary Jean, to Robert Paul Carter, son of Mr. Paul Carter, Pleasant street, Ashland. No date has been set for the wedding.

Mr. and Mrs. J. C. Davis and daughter, Nancy Lee, and Mrs. G. M. James, 54½ Park avenue west, have returned after a two weeks' motor trip to visit Mr. Davis' parents in Wichita Falls, Texas. They also stopped in San Antonio at the time of the Festival and in Austin, Texas. Other points of interest in the southwest were visited by the group.

Vickie Jean Gazdak, of Cleveland, spent the week end with her grandmother, Mrs. Louise Freese, 111 Arthur avenue.

Richard and David Maxwell, 174 West Second street, sons of Mrs. Leah Maxwell, have returned home after a vacation in Barberton. While there they attended the initiation of

Sheldon Shaffer, 317 Shepard road, has returned from a motor trip to California.

Mr. and Mrs. R. C. Snyder, 1111 West Fourth street, were honored April 24 with a surprise farewell party given by approximately thirty

Miss Jane Martin, of Toledo, was a week-end guest of her parents, Mr. and Mrs. Hubert Martin, of Plymouth. She left Wednesday for St. Petersburg, Fla., where she will be connected with the air force division.

Mrs. Whipp To Head DeMolay Mothers' Club

Mrs. Paul Whipp was elected president of the DeMolay Mothers' Club, Baku chapter, at the annual meeting held Wednesday evening at the YMCA clubrooms.

Other officers who will serve for the coming year are Mrs. F. A. McCune, vice president; Mrs. R. L. Traxler, secretary; and Mrs. George Pfeifer, treasurer.

Mrs. Eugene Boling, retiring president, conducted the business session. Ten members and two new members, Mrs. Louis Piller and Mrs. Clyde Garn, were in attendance.

Mrs. Boling appointed Mrs. Glenn Pore and Mrs. John C. Schneider as members of the auditing committee, and Mrs. Charles Kafer and Mrs. F. E. Dornier as members of the nominating committee.

Following the annual business a social hour was enjoyed and refreshments served. Mrs. Boling and Mrs. Dornier, who were celebrating their birthdays served as hostesses for the occasion.

Mrs. Traxler won the club prize and Mrs. Schneider, the contest award. The next meeting is scheduled for May 25 with installation of officers to be held.

Mrs. Poland to Head Hedges Mothers

Mrs. Lester Poland, was elected president of the Hedges Mothers' club Tuesday afternoon at their monthly meeting held in the school gym. Other officers elected to serve with her for the coming year are Mrs. Robert Eilenfield, vice president; Mrs. Merle Whitner, secretary and Mrs. Paul Eitzwiler, treasurer.

The club voted to contribute to the cancer fund and the Salvation Army. A brush demonstration was given by Mrs. Edna Whiteleather. Mrs. Walter Hitchcock served as program chairman.

Refreshments were served at the close of the session by Mrs. Harry Goettle, Mrs. D. Schoenauer, Mrs. Mae Waring, Mrs. L. E. Sharrock and Mrs. Alice Bricker.

Iota Sigma Meets For Dinner Session

Mrs. Everett Beecher, president of Iota Sigma, W.C.T.U., conducted the business session at Johns park Tuesday evening. Preceding the meeting a covered dish dinner was served.

The Rev. A. J. Staats read several verses from the scripture. John Kline led the group in prayer.

Reports of the state convention held in Columbus were given by Mrs. J. W. Waddell and Mrs. J. H. Stottler. The Rev. Claude Austin gave a talk on "What Our Responsibility and Duty Is."

Mrs. Staats will be hostess at her home, May 31.

Hospital Guild Plans Banquet

The Hospital Guild of Women of the Moose met Tuesday with Mrs. M. R. May and Mrs. Samuel Faulkner as hostesses. Mrs. Helen Remmy was in charge of the business meeting.

Plans were completed for chapter night which will be held May 18. A banquet will be held May 23 at Carroll Inn. The club prize was presented to Mrs. Samuel Gentile. One guest, Mrs. Michael Campanelli, was present. Mrs. Campanelli won the contest prizes. A luncheon was served at a late hour.

MRS. MARION PENDLETON

Miss Mary Rita Ferrone Wed To Marion Pendleton Here

MISS MARY RITA FERRONE became the bride of Marion Pendleton April 24, in a candle-light ceremony at St. Matthew's Lutheran church, performed by the Rev. Charles Sherriff.

Miss Ferrone is the sister of Mrs. Hildreth Johns, 23 West Raleigh avenue. The bridegroom is the son of Mr. and Mrs. Kenneth Pendleton, 648 West Third street.

Mrs. Charles Ness presided at the organ while Mrs. Charles Sherriff served as soloist for the double ring, open church service. The couple spoke their vows before an altar decorated with white roses and candelabra. The rest of the church was decorated with palms and beauty baskets of white gladiolus and ferns.

The bride was given in marriage by her brother, Victor Ferrone, of Cleveland. Her gown was styled in Victorian fashion in rich white satin with touches of Chantilly lace. The slim skirt ended in a long wide train. The long sleeves were edged at the wrist in the Chantilly lace. A tiny bonnet held her finger tip length veil in place.

The bride carried a white orchid on a prayer book. The bride's sister, Miss Viola Ferrone, of Cleveland, served as maid of honor. The bridesmaids were Miss Carol Johns, a niece of the bride, and Miss Marilyn Pendleton, the bridegroom's sister. They all wore white gowns fashioned with boat necklines and lace ruffle trim. The tight basques fell into full circular skirts. White satin ballerina slippers and short white nylon gloves, completed their costumes.

They carried nosegays of spring flowers set in white paper lace doilies. The maid of honor's bouquet was tied with an orchid ribbon while the bridesmaid's were tied with yellow ribbon. Mrs. Johns chose a green crepe dress fashioned with a lace insert and full circular skirt, for her sister's wedding. Her accessories were green and white and she wore a corsage of pink camellias.

Mrs. Pendleton was attired in a pink crepe dress with a back drape. Her accessories were black and white and her corsage was of pink camellias.

Jack A. Wilson, of Ft. Wayne, Indiana, who is attending Bowling Green university, served the bridegroom as best man. Phillip Pendleton, a brother of the bridegroom, and

Santa Maria Study Club Hears Paper

The Santa Maria Study club was entertained at the home of Mrs. Harold Oakes, 3 Greenwood avenue, with Miss Grace Crotty as associate. The meeting was opened with prayer by the president, Mrs. Joseph Rizzo.

Mrs. C. J. Kalbfleisch presented the program, using as her topic, "Four Chaplains Join the Immortals." It pertained to one of the most heroic stories of World War II, telling how four chaplains of different religious beliefs, two Protestants, a Jewish Rabbi and a Catholic Priest, became friends while serving aboard the Army transport, "Dorchester".

When the ship was torpedoed off the coast of Greenland in 1943 they refused to abandon ship and took off their own life belts to give to the terror-stricken men. They were last seen with linked arms, standing on the deck of the sinking ship. The United States Post Office has issued a stamp commemorating the heroic act of these four Army chaplains.

The club is dressing a doll to be sent to a mission in Fairfield, Ala. for their spring bazaar.

Following the program bridge was in play with prizes awarded to Mrs. Edward Henrich and Mrs. Ferd Loykovich. The hostess served refreshments at a late hour at a long table.

The next meeting will be held May 16 at the home of Mrs. Loykovich, 165 Raleigh avenue. At that time election of officers will be held.

Class Convenes For Devotions

Eighteen members of the Christomathean Class of the First Lutheran church convened Wednesday evening at the parish house. Mrs. Grace Hout led devotions on "God Is My Strength", taken from the 56th Psalm. She closed with prayer.

Miss Bertha Landis, president, conducted the business session at which time announcement was made of the recent rummage sale. There will be a bake sale and bazaar May 14 at the Third street market.

During the social hour refreshments were served. Hostesses were Mrs. Etta Humphrey, Mrs. B. H. Dudley, Mrs. C. E. Smith, Mrs. Lee Remy and Mrs. Harry Sullivan.

The next meeting will be held May 25 at the Parish House.

BIBLE CLUB MEETS

The Seekers Bible club met Wednesday at the home of Mrs. Joe Bertka, 416 West Fourth street. Devotions were led by Mrs. Ervin Remy. Mrs. Harvey Bender, president, conducted the business meeting. Mrs. Wilbur Wachs and Mrs. W. E. Schaaf led the lesson study. The next meeting will be a spring luncheon, May 12, at The Farmhouse, West Fourth street road.

Rush Season Opens For Beta Phi Mu With Pledge Party

BETA PHI MU SORORITY held its first pledge party of the spring rushing season, in the clubrooms of the Southern hotel.

Guests present for the session were Mrs. John A. Adams, Miss Joan Long, Mrs. Alvin Webb and Mrs. John Fike. Mrs. Charles Guinn was chairman for the evening. Assisting Mrs. Guinn were Mrs. Arthur Perkins, Miss Betty Jopa and Mrs. Dolan Goodner.

Miss Jona, a charter member, explained the history and past functionings of the sorority. Mrs. Goodner, president, welcomed the guests and explained the year's program and projects of the organization.

A social evening was spent with cards and contests as the diversion. Prizes were won by Mrs. Robert Phillips, Mrs. Leon Ford, Mrs. John Fike, Mrs. Richard Pfeifer, Mrs. Philip Kelly and Mrs. John A. Adams. The club prize was awarded to Mrs. Thomas Gerhart.

At a late hour the hostesses served a dessert luncheon from an attractively appointed table in pastel shades. A sheet cake centered the table and was in-

Officers Convened At Butler Home
The officers and committee chairmen, Women of the Moose, met Tuesday evening at the home of Mrs. Clyde Butler, 310 Grace street. Mrs. Lester Garber served as associate hostess. Sixteen members were in attendance.
Contests were the diversion of the evening with prizes being awarded to Mrs. Michael Campanelli and Mrs. Lloyd Hughes.
The next session will be May 24 at the home of Mrs. Ralph Benson, 122 Dist. avenue, with Miss Betty Perl assisting. Refreshments were served at the close of the meeting.

Circles To Be Reorganized At Central Methodist Church
Mrs. L. F. Rondel opened the joint meeting of all six circles of the Woman's Society of Christian Service of the Central Methodist church Tuesday with devotion at the church.
Miss Erma Jenkins was introduced and sang "I Was the Tree" by O'Hara and "Seek Ye the Lord" by George. She was accompanied at the piano by Mrs. H. D. Bishop.
The round table discussion on "Missions Stationed in Outlined Territories" was led by Mrs. Wayne Miller. She introduced the following speakers and their topics: Mrs. C. G. Critchfield, "Hawaii;" Mrs. L. A. Ogborn, "Alaska;" Mrs. Rondel, "Panama Canal;" Mrs. Leo Hurley, "Virgin Islands;" and Mrs. Stanley Harper, "Puerto Rico."
The discussion was opened to the group, and the responses were given by Mrs. Earl Hartley, Mrs. F. E. Fisher, Mrs. E. Ray Jenkins, Mrs. Grant Ward and Mrs. Elzavira Budd.
Mrs. Jenkins, president, welcomed the seventy-five who attended the meeting. It was announced that there will be a district meeting in Bucyrus Thursday. Wednesday, May 4, the men of the church will serve the annual Mother-Daughter Dinner.
On Monday evening one member from each circle, Mrs. R. K. Clark and the secretary of the group, will meet in the church parlors at 7:30 to make up the new circle groups.
Mrs. Clark, new president, and Mrs. Jenkins, outgoing president, presided at a buffet style table centered with pastel spring flowers for refreshments. Mrs. P. P. Hilligoss and her committee were in charge.

Horoscope
By GENEVIEVE KEMBLE
For Friday, April 29
A quick grasp of existing opportunities to promote plans and put over novel programs and important objectives, is under excellent promise for attaining well-organized and executed projects. In this it may be of telling benefit to join forces with others of skill, original ideas and keen initiative. Such may call for change, new arrangements and agreements, in which private enterprise may be productive of public rewards. Be alert in pressing toward high goals.
For the Birthday
Those whose birthday it is should be ready to take advantage of exceptional openings for advancement upon cherished goals, in which merit, keen and intensive performance may be assured public recognition, honors, with promotion and appreciation for versatility, novel ideas and programs, in which joint operations succeed. There may be change, travel new arrangements in which brains, quick action and astute performance cash in, with conspicuous approbation.
A child born on this day is adaptable, resourceful and versatile, with much sagacity and quick grasp of opportunities for promotion and public approval, in its active career.

Miss Gladys Bischoff Wed To Donald Howard Stone
THE LITTLE WASHINGTON Congregational church was the scene, April 24, of the nuptials of Miss Gladys Marie Bischoff, daughter of Mr. and Mrs. Carroll W. Bischoff, R. D. 5, and Donald Howard Stone, son of Mr. and Mrs. Howard C. Stone, R. D. 5.
The double ring, open church ceremony was performed by the Rev. Matthew Madden, pastor

of the First Congregational church of Mansfield. Mrs. Earl A. McFarland presided at the piano while Vernon G. Richey served as soloist.
The chancel of the church was beautifully decorated with palms and two baskets of gladioli, tulips and iris. Six candelabra also added to the beauty of the church.
Given in marriage by her father, the bride wore a street length dress of white summer flannel, which was made by her mother and fashioned with a close fitting bodice and sweetheart neckline, trimmed with matching braid and a full skirt. She carried a bouquet of white roses centered with a gardenia corsage. Her illusion veil was finger tip length.
Mrs. Robert Beal, of Bellville, a friend of the bride served as her only attendant. She was attired in a navy blue taffeta dress and carried a bouquet of pink carnations with white streamers.
The bride's mother wore a royal blue dress with white accessories and a corsage of pink and white roses. The mother of the bridegroom wore a grey dress with grey accessories and a pink rose corsage.
David Miller, a cousin of the bridegroom, served as best man. The ushers were Frank Kellar and Everett Donough, friends of the bridegroom. A reception for 100 guests followed the ceremony, in the basement of the church. Spring flowers decorated the room and a four tiered wedding cake, topped with a miniature bride and bridegroom, centered the buffet table.
The couple left for a wedding trip to Washington, D. C., following the reception. The bride wore a navy blue suit with white accessories, and the gardenia corsage from her bridal bouquet.
They will reside at R. D. 5, after May 1. The bride is a graduate of Union high school and has been an employee of Westinghouse Electric corporation. Mr. Stone attended Madison high school and is employed at Empire Steel Mill.
Out-of-town guests were present for the wedding from Akron, West Salem, Gallon, Columbus, Barberton, Berea, Lexington, Lucas, Bellville and Connecticut.

PINOCHLE CLUB
The Windy Eight Pinochle club met Wednesday at the home of Mrs. Willis W. Farmer, 217 South Franklin avenue, and arrangements were completed for a banquet, to be held May 19 at Oak Park Inn. Prizes were awarded to Mrs. Russell Bowersock and Mrs. R. G. Bowersock. The next meeting will be held May 5 at the home of Mrs. Gerald Schaefer, 272 West Dickson avenue.

Students Attend Wittenberg Guild Party

Fifteen students from the junior and senior classes of the Senior high school were guests when the April meeting of the Wittenberg Women's Guild was held Monday evening in the First English Lutheran church.
John Beacham, alumni secretary of Wittenberg college, was present to show colored slides of the buildings and the activities on the campus.

The scripture in the marriage lines was used by Mrs. Carveth Mitchell, devotional leader. Mrs. Aneita Davidson, Mrs. Earl Garrison and Mrs. W. O. Park were elected to serve for a two year term as corresponding secretary, recording secretary and treasurer, respectively.

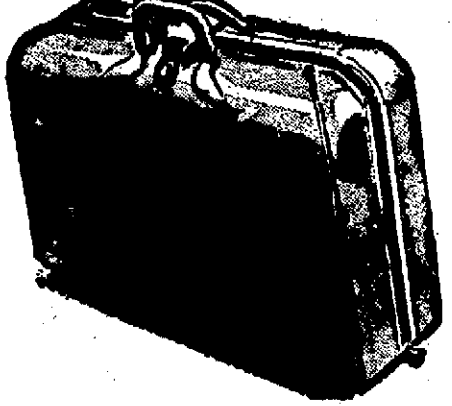

A committee for the revision of the constitution composed of Mrs. Robert Marks, Mrs. C. A. Wilcox and Mrs. Marshall Moore, was appointed by the president, Miss Frances Randall.

Mrs. Moore was also appointed as delegate to attend the summer conference at the college. Refreshments were served buffet style by a committee from the church. Miss Randall and Miss Wilcox presided at the table.

For a quick dessert, apples may be cooked in a pressure saucepan and a cinnamon and sugar glaze added after.

Miss Marcelle Chelsky Feted With Many Nuptial Showers

MISS MARCELLE CHELSKY, bride-elect of Robert Kulka, was honored at a "stock-her-up shower" at the home of Miss Nina Stash, 28 Oak street road. The associate hostesses were Mrs. Marvella Mertz and Mrs. Jesse Logsdon.

An improvised throne, made of household items, was placed in the center of the large room. The honoree took her place on the throne and reigned there throughout the evening. A corsage of gardenias was presented to her by the hostesses. At her side was placed a small statue of cupid on which was a banner reading "Bob and Marcelle, May 7th".

He held a bow and arrow which pointed to Miss Chelsky. During the evening, the twelve guests wrote "Tips for a Happy Marriage" and presented them to Miss Chelsky in a white leather scrapbook engraved with "Bob and Marcelle." Prizes for the most original of these tips were awarded to Mrs. Andrew Stash, Mrs. Robert Ohler, Mrs. John Kulka, Mrs. Joseph Chelsky, Mrs. Michael Pinka and Mrs. L. J. Steele, who in turn presented them to the honoree.

Later in the evening a buffet luncheon was served from a long table placed in front of a bay window and lighted by tall pink tapers. A miniature bride in a white bridal gown stood on a large round mirror as centerpiece. Pink sweetpeas fell from a toy umbrella which the tiny bride held in her hand. Around the edge of the mirror were placed miniature umbrellas in multi-colors.

New Officers Conduct Meeting

The newly installed officers of Naomi Shrine, No. 10, conducted the regular meeting Monday evening at 7:30 in Eagles hall.

Mrs. John Gross, worthy high priestess, conducted the business session. The members voted to give a donation to the Salvation Army.

After the business session, Mrs. Woodrow Wilson sang "The Golden Key."

On May 27 the group will meet at Eagles hall for a regular session.

Ordinarily, sandwich-making for the crowd takes time. But not when you serve sandwich loaves. Just remove the crust from an unsliced loaf of bread. Cut four lengthwise slices. Spread slices generously with real mayonnaise. Top one slice with lettuce. On the others place sliced tomatoes, hard-cooked egg and potted meat or fish. Place bread slices on top of others. Frost outside of loaf with real mayonnaise. Chill an hour or so. Slice down to serve.

Firm Bares New Engine For Planes

Supercharged Gas Engine Revealed

MT. VERNON — (UP) Development of a supercharged gas engine that could possibly be used to increase the flight range of aircraft has been revealed by the Cooper-Bessemer corporation.

Gordon Lefebvre, president of the gas and diesel engine manufacturing firm, said tests have proved the new engine has at least 52 per cent higher efficiency than ordinary gas or gasoline engines.

"This remarkable efficiency," he said, "is the result of introducing some of the unique combustion features of our gas-diesel engines into spark-ignited gas engine design, accompanied by supercharging — the first time supercharging has ever been applied to four-cycle gas engines."

The new development, Lefebvre said, makes possible a full 80 per cent jump in horsepower for the same size engine while reducing fuel consumption by at least 30 per cent.

"Although we set out to greatly reduce the cost of power in municipal and industrial plants, wherever natural gas is available, it soon became evident that the development has much broader application — that it might even be used to greatly extend the flight range of aircraft," he said.

Lefebvre said butane-propane fuels (oil, gas or coal hydrocarbons) which can be readily stored or carried in liquid form have approximately the same British thermal unit content as gasoline, and can be fed to engines as a gas.

"Thus," he continued, "the new engine principle, with at least 52 per cent higher efficiency than today's aircraft engines, offers the possibility of greatly increased flight range."

Most immediate application of

STARVING CATTLE—Cattle in the drought country near Ravenswood, Australia, search the parched land for dead leaves and bark for food. No useful rain has fallen in nearly half of Queensland state's 670,000 square miles for two years.

the new engine, Lefebvre said, is for stationary power in areas now using natural gas.

"Natural gas, an abundant fuel in America, is now convertible to power at far lower cost than ever before," he added. "We anticipate that this new supercharged gas engine will help speed the expansion of rural electrification in the vast gas-rich areas, a big step towards a sounder farm economy and ultimate food cost reductions."

Lefebvre said the new engine will be in regular production by mid-year.

Lynda Mercurio New Brownie Troop Head

Lynda Mercurio is the new president of Brownie Troop 71. It was announced today. She was elected at a meeting of the troop held at the home of the leader, Mrs. Jane Farrow, 194 Dawson avenue.

Other new officers include Sheila Miner, vice president; Marilyn Day, treasurer; and Pat Lannan, secretary.

Trees are nature's best air conditioners, sometimes lowering the temperature around your house five to ten degrees in midsummer.

Troubles Pile Up for City Family

Mrs. Samuel Williams, 8 John Long avenue, has had her share of trouble the past few days, but she's convinced the worst is almost over.

Last week three of her children were in General hospital at the same time to have their tonsils removed.

After the operation date was set, they learned Williams would go into Mt. Carmel hospital at Columbus Friday for a foot operation.

Mrs. Williams said they decided they had better not cancel either date, so Mary Lou, 10; Jeanne, 7; and Nicholas, 8; entered the hospital last Tuesday.

The children were brought home the next day, and Williams entered Mt. Carmel hospital Friday.

Saturday William's left foot

was operated on. The operation was the second he has had since his foot was injured several years ago. He expects to be in the hospital for the rest of this week.

Meanwhile, Mrs. Williams has had her hands full taking care of the three children who returned home last week and of her other two children.

The youngest children, Sally, 5, and Rebecca, 4, also have to have their tonsils removed, but Mrs. Williams said she hoped their operations could be postponed until fall.

Williams is an employee of Charles Hoffman company.

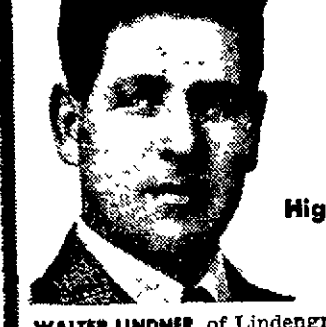

MADE LIFE MEMBER

BUCYRUS — A life member-

ship in the Walter Bauer Post of Veterans of Foreign Wars here has been voted George J. Barth, who served as the post's quartermaster for nearly 15 years. Barth, a Spanish-American War veteran, was succeeded as quartermaster last month by Eldon Gwinner.

DOG MEN SAY: "Feed Friskies"

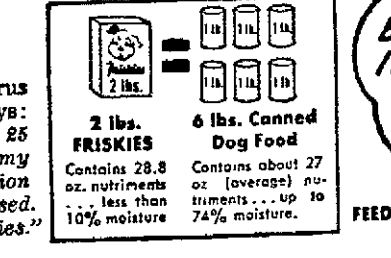

Complete NUTRITION • Delicious TASTE • Amazing ECONOMY

WALTER LINDNER, of Lindengrass Kennels, Warren Mich., says: "I've been training dogs for 25 years, and Friskies keeps my dogs in much better condition than any other food I've used. It works wonders with puppies."

For over 16 years many experts, whose business it is to keep dogs in championship form, have recommended Friskies and have used it exclusively in their own kennels. It is a complete dog food, scientifically balanced to provide all the elements dogs are known to need for total nourishment. It's economical, too—costs less than half as much to feed as most canned dog food. Get Friskies from your dealer today.

2 Housing Bills Win Approval

Road Proposal Gains Support

COLUMBUS, O. — (AP) — Legislation to allow construction of Ohio toll super-roads to join an extended Pennsylvania turnpike had the House Highway committee's green light today.

The committee by a vote of 15 to 8 recommended passage Wednesday night of the bill by Sens. Ralph A. Winter (R-Medina) and William M. Boyd (D-Cuyahoga). It already has cleared the Senate.

The House Taxation committee reported out two low-rent housing measures. Gov. Frank J. Lausche urged such legislation as companion measures to the urban redevelopment bill passed Tuesday by the House.

One housing bill restricts tenancy to people with incomes of less than \$2,000 a year, plus \$200 for each dependent. Veterans would be given preference.

Housing authorities would be required to pay from shelter rent, in lieu of taxes, the maximum amount needed to keep the state eligible for federal subsidies. The federal limit now is ten percent.

The other bill exempts low-rent housing from taxes even though rents are collected. That would put housing projects in the same category as municipally owned properties such as market houses which pay rents but are tax exempt.

The turnpike bill would create a five-member commission with the state highway director an ex-officio member. Commissioners would serve eight-year terms. They would be paid \$5,000 annually.

The commission would be empowered to issue bonds for sale to the public to finance construction of the four-lane divided super-highway across northern Ohio. The bonds would be retired from tolls charged users.

The highway then would be "given" to the state. An amendment would make the bonds ineligible for purchase by state retirement systems.

Opponents objected to granting the commission power to condemn and buy land needed for a 200-foot wide right of way. Winter pointed out that payment would be required before taking the property. Disputes over price would be settled in the courts of the country where the property is located.

Sheriff Wants Wells Covered

ASHLAND — Ashland county residents were warned by Sheriff M. F. Rickenbrod today to close any open wells or cisterns on their properties.

The sheriff, who already has discovered three open wells in the county, issued the warning to prevent a tragedy such as the one which killed a small California girl recently.

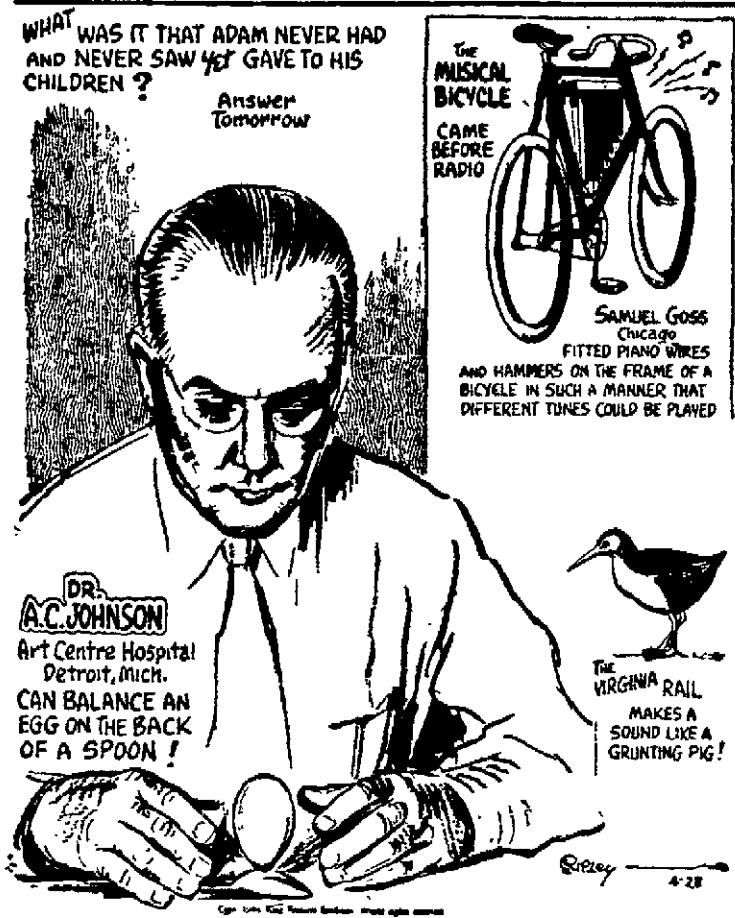

Residents are liable for anyone injured or killed in open wells or cisterns, the sheriff warned.

Ontario 4-H Club Adds Member

Ted Williams became a member of the Ontario Happy Weeds 4-H club at the third meeting of the group held at the home of Mrs. L. J. Pitman.

A game of softball followed the business session and refreshments were served at the close of the meeting.

Believe It or Not!

Rinehart Keeps Post

L. L. Rinehart, Galion R. D. 1, member of the Richland County board of health for 13 years, was re-elected chairman of the county board at its re-organization meeting Tuesday night at the city building.

Members of the Mansfield and Richland County boards of health, in joint session, discussed features that should be included in the board's program of closer health department control over Richland county's food dispensing establishments.

The program, which is now in its formative stage, will be aimed at closer inspection and better education of food handlers.

Health Commissioner Dr. Harry Wain told members that 385 Richland county food dispensing places had been mailed three-page pamphlets urging them to join the Chamber of Commerce clean-up week.

Investigation Continues On Flying Discs

DAYTON — (AP) — The air force is taking seriously the reports of flying saucers, the Dayton Journal-Herald reported today.

The newspaper attributed its story to a report in the files of the technical intelligence section of the air materiel command at nearby Wright field.

The Journal-Herald reported the air force based its conclusion on some 240 domestic and foreign reports of the flying discs. Intelligence section officers were quoted as saying 30 per cent of the reports have been due to conventional aerial objects such as weather and cosmic ray research balloons.

Commonplace answers are to be found in another 30 per cent, while 40 percent of the reports are in the mystery column.

Commenting on the saucers, evaluation teams were quoted as saying, "We can't prove or disprove the existence of some of the remaining unidentified objects as real aircraft of unconventional design."

The British took the island of Cyprus from Turkey in 1878 as part of a plan for introduction of reforms in Asia Minor.

All-Secular Concert Set For May 17

Choral Society To Sing In City

The first all-secular concert to be presented here by the Mansfield Choral Society will be given Tuesday night, May 17, in the John Simpson auditorium, when the 40 chorus members present an all-choir program.

The Society, directed by J. Frederick Wolf, gained city-wide recognition at the Chamber of Commerce dinner in February, presenting there its first group of non-religious songs.

During the past winter the singers have given "The Messiah" at the Christmas season and Dubois' "Seven Last Words" on Palm Sunday.

The program will be given entirely by the mixed chorus, and men's and ladies' ensembles. There will be no soloists for the May 17 concert. Among the popular numbers to be presented will be "America the Beautiful", which the choir will sing by request, and "Stars of the Silent Night."

Morie Clock ...

MADISON — "Force of Evil," 1:30, 4:15, 7:05, and 9:55 p. m.; "Rusty Saves a Life," 3:05, 5:55, and 8:45 p. m.

RITZ — "For the Love of Mary," 3:15, 6:30, and 9:45 p. m.; "Kit Carson," 1:34, 4:49, and 8:04 p. m.

One of the oldest rings known was a gold Egyptian ring found at Ghizeh bearing the name of Cheops, the Pharaoh for whose tomb one of the pyramids was built.

Deaths In Area

Hurts Received In Fall At Home Fatal To Woman

GALION — Injuries from a fall in her home at 131 East Payne street on Tuesday resulted in the death of Mrs. Carolina Anna Schaefer, 82, in City hospital here at 11:15 p. m. Wednesday. Mrs. Schaefer suffered a hip fracture in the fall. A native of Indiana, Mrs. Schaefer had resided here a number of years and was well known. Her husband, Charles A., died in April of 1942.

Mrs. Schaefer leaves a daughter, Mrs. R. M. Pounder of Galion; three sons, Paul of Louisville, Ky., Lewis of Mansfield and Theodore of Washington, D. C., and five grandchildren. Mrs. Schaefer was a member of Peace Lutheran church and had taught Sunday school classes there a number of years. She also was a member of the Ladies Aid and Missionary society and a sponsor of the Lutheran Daughters. Services will be at 2:30 p. m. Saturday in the church with Rev. Philip E. Auer, pastor, officiating. Burial will be in Fairview cemetery in charge of the Volk funeral home. Friends may call at the family residence.

HARRY C. BENSON

FREDERICKTOWN — Harry C. Benson, 53, farmer, died in his home here today after an extended illness. Mr. Benson leaves his widow, Grace, four sons, Irvine of Fredericktown, George of Columbus, Ralph of Mansfield and Harry jr. of Mt. Vernon; mother, Mrs. George E. Benson of Mt. Vernon; a sister, Mrs. Helen Householder of Mt. Vernon and five grandchildren. Services will be at 2 p. m. Saturday in the Bollinger funeral home here with Rev. Floyd Eckert, Methodist church pastor, officiating. Burial will be in Mount View cemetery in Mt. Vernon.

MRS. EMMA J. SUTTON

WILLARD — Mrs. Emma Jane Sutton, lifelong resident of the nearby New Haven community died in her home there Wednesday morning after an illness of several months. Two

Levi M. Garver

MT. GILEAD — Levi M. Garver, 72, an employee in the grocery department of the Union Store here, died suddenly Thursday morning of a heart attack suffered in his home on Delaware street. Mr. Garver, a member of the Gleaners lodge, moved here three years ago from Pulaskville where he had farmed. Services will be at 2:30 p. m. Saturday in the Baptist church of which he was a member with Rev. Roy Evans, pastor, officiating. Burial will be in Bryn Zion cemetery in charge of the Craven funeral home. The body is at the family residence.

MRS. SADIE KRAUTER

BUCYRUS — Mrs. Sadie Krauter, 70, of 416 West Mansfield street, died at 3:45 p. m. Wednesday in City hospital here after an illness of two years. Mrs. Krauter had lived here with the exception of three years in California and was a member of Epworth Methodist church, its Women's Society of Christian Service, the Women's Christian Temperance Union, Loyal Circle of King's Daughters and a seventh degree member of Buckyrus Grange. Surviving are her husband, William E.; two sons, James B. of Bucyrus township and Walter D. of Greenville, Mich., and a brother, Clarence Beal of Bucyrus. Rites will be at 2 p. m. Saturday in the church with Dr.

Pilot Claims World Record For 'Copter

CLEVELAND — (AP) — Test pilot Harold E. Thompson of Stratford, Conn., put in a claim today for a new world speed record for helicopters—129.616 miles an hour. He flew a Sikorsky S-52-1.

The 28-year-old flier's performance at Cleveland airport late yesterday afternoon still must be reviewed by the National Aeronautics association and the Federation Aeronautique Internationale.

If these organizations agree with the findings made last night by Charles S. Logsdon, contest director of the NAA, Thompson's mark will become an official world record. The checking and rechecking will require weeks. Thompson was shooting at an existing official record of 124.3 M.P.H. which Squadron Leader B. H. Arkell set at Berkshire, England, last June 28.

Strike Hits Buses

MINEAPOLIS — (UP) — A strike spread paralysis today over 10,000 miles of bus line operated by Northland Greyhound in eight states and part of Canada.

CRAFTON'S

Among Our Neighbors

Jeromesville

Mr. and Mrs. Loyal Myers and family of Ashland and Mrs. Edith Johnson of Marlboro were calling on friends here.

Mr. and Mrs. Robert Denbow of Cincinnati visited with their parents, Mr. and Mrs. J. P. Kyler.

Mr. and Mrs. Forest Davault of Ada visited in the H. J. Davault home.

Recent callers in the Howard Swinford home were Mrs. Sheila Ballou and children Sheila and Gordon of North Canton, Mrs. Pearl Ballou, Ray Ballou, Mr. and Mrs. O. J. Wiley, Mrs. Hattie Miller, Mrs. Mary Clark and Mrs. Carrie Shiffer all of Ashland.

Mr. and Mrs. James Franks and daughter Cheryl were guests of his parents, Mr. and Mrs. Eldon Franks in Loudonville.

Mr. and Mrs. H. E. Burgman and Mrs. E. M. Hosler were in Cleveland attending the funeral of Mrs. James Prasek.

Mr. and Mrs. James Franks and daughter Cheryl were dinner guests with their parents, Mr. and Mrs. Eldon Franks in Loudonville.

Weller Township

Rev. and Mrs. Turner Holt of Galion were recent visitors with their daughter and family, Mr. and Mrs. Richard Granly.

Mr. and Mrs. S.C. Kiser and Terry of Mansfield, Mr. and Mrs. James Purdy and Sharon of Shiloh were guests of Mr. and Mrs. C.C. Purdy.

Mrs. Artie Doolittle is under the doctor's care at the home of her daughter, Mrs. Marjorie Burkholder.

A number of people from this vicinity attended the open house in honor of Mr. and Mrs. George Kirsch's silver wedding anniversary at their home near Mansfield.

The tenant house on John Conard's farm that was occupied by the Rock family was leveled by fire. It started from a defective oil range.

Miss Donna Mae Pugh visited her father. She is a student at Bowling Green State University.

Johnsville

Mr. and Mrs. Walter Brennen and son of Columbus spent the week-end at the home of Mr. and Mrs. Tollie Brennen.

Miss Barbara Baker and Marjorie Gamble of Mansfield spent a week at the home of their grandparents Mr. and Mrs. Arthur Shipley.

Mr. and Mrs. Arthur Shipley and son Donald called at the home of Mr. and Mrs. John Long of Willoughby, O.

Mr. and Mrs. Harry Sowers of Ravenna, Ohio spent the week-end at the home of Mr. and Mrs. Charles Sowers.

Mr. and Mrs. Tolle Fiegle of Bellville and Mr. and Mrs. Jordon of Chesterville visited at the home of Mr. and Mrs. Dan Fiegle.

Volla Wagner spent Friday eve. at the home of Mr. and Mrs. Milford Wagner of Mansfield.

Mrs. Jeanette Calver of Lexington spent several days at the home of Mr. and Mrs. Al Perry.

Mrs. Coleman of Edison called at the home of Mr. and Mrs. Ernest Hoar.

Mrs. Harold Hildebrandt, who underwent an operation at General Hospital, was brought to her home Friday afternoon.

Commercial Travelers

Elect Staff In Galion

GALION — Robert Spangler was elected senior councilor of United Commercial Travelers Council 476 of Galion at the annual meeting this week. Other officers chosen are: past senior councilor, Gerald Bosler; junior councilor, Clyde Kunkel; secretary-treasurer, W. M. King; conductor, Nelson Bowman; page, Ralph Edwards; sentinel, Glenn Wedertz; chaplain, Rev. R. R. Elliker; executive committee, William Kunkel and A. C. Stover.

W. W. Wheatcraft installed the new officers at the meeting which was held at the Galion Elks' Home.

County Grant Given

To Crestline Museum

BUCKYRUS — Crawford county commissioners announced today a \$500 grant had been given the Crestline Historical society for maintenance of the museum recently opened in the Municipal building in Crestline.

The museum contains four rooms of Indian relics and exhibits depicting Crestline's development as a railroad center.

Get Play Leads

IBERIA — Marilyn Beck and Beverly Worster have been cast in the leading roles for May 6 senior class play in the local school auditorium. Miss Maxine Gilliam is directing while Eugene Morton and Bill Thompson are stage managers.

Stagecoach Taverns Still Operating In Buckeye State

COLUMBUS — Famous stagecoach taverns of yesterday still dot Ohio's landscape. Some still continue to operate as eating establishments, while others have been set up as tourist attractions.

Many are located on modern highways that began as rutted, dusty stagecoach roads. Some taverns were important in the history-making of Ohio and the country.

The Stadium Hotel, Cleveland was the scene of many important political addresses made by such personalities as President Andrew Johnson and General U. S. Grant. Our House, Gallipolis, built in 1819 entertained many distinguished visitors including Lafayette

and Louis Philippe of France. The Golden Lamb, Lebanon, housed such notables as Charles Dickens and President Adams. Van Buren, Harrison, Hayes, McKinley and Harding. Locust Lodge, Middlebourne, which is still operated by descendants of William Penn, was the favorite stopping place for Henry Clay. The Red Brick Tavern, Lafayette, was open for business in 1837 and prepared food for many presidents and other dignitaries.

When stagecoaches started using the National Road—now U. S.

route 40—three taverns went into business. One was the Pine Tree Inn, Old Washington, and the others were Headley Inn, Zanesville, which has been serving travelers since 1802, and Colonial Inn, Old Washington, in operation since 1805.

The Brecksville Inn, Brecksville, was built in 1839, and is unusual because it was put together with black walnut siding three feet wide and handmade nails and wooden pegs.

Cross Keys Tavern, Chillicothe, was built in 1797, and

became famous as a meeting place for stockmen and drovers. It went out of business in 1860. Hunt Tavern, Springfield, was built on the site of Simon Kenton's first home in Ohio. Stagecoach Tavern, Coshocton, was the center of festivities during the days of canal traffic.

Dunham Tavern, Cleveland, still continues to serve food and drink. It is noted for an old stone smokehouse, and the many pioneer relics from all parts of the Western Reserve.

Rider Tavern Painesville, was built in 1818 and modeled after Washington's Mount Vernon home.

Two taverns that were important on stage runs into Cleveland were Stone Tavern, Poland, and Singletary House, Streetsboro. Stone Tavern, also called Sparrow Tavern, was built in 1804. Singletary House went up in 1828.

Buxton Tavern, Granville, has been a dining place since 1812.

AWARDED BLUE RIBBONS
IBERIA — Over 50 pupils of the Iberia grade school, were awarded the Blue Ribbons in

Peace At Last From PERSISTENT ITCH!

No wonder thousands teased by itchy torment bled the day they clung to Reitol. Here's quick action from first moment—a blissful sense of peace that lasts and lasts, thanks to 6 active soothing agents in a lipo-base that stays on. Don't be content with anything less effective than Reitol Cream.

NEWSPAPERARCHIVE®

Walter Lippmann
China's Collapse Hurts U. S. Policy

Mr. Acheson, like General Marshall before him, is under fairly heavy fire because he does not come forward with a plan of action for China.

Things have gone against us not only in China but in almost the whole Far East. Nothing in our foreign policy, except the defense of the western hemisphere, has been so settled and fixed as our friendly interest in China. It was our refusal to surrender China to Japan which made the conflict in the far Pacific irreconcilable and brought about the war with Japan.

Yet now we see China passing into the hands of men who regard us as their enemies. And Japan, which we conquered in order to liberate China, has no future — except as a sullen and rebellious dependency which we have to govern, support, and defend — if it is cut off from that Chinese mainland which is now controlled by men who are unfriendly to us.

The bitter truth is that the collapse of nationalist China has for the time being at least left us without strong friends or effective influence in the Far East. We are alone. Our European allies have interests but little power or influence. The British in Malaya, the French in Indo-China; and the Dutch in Indonesia have just about enough strength to hang on where they are in the hope that something

can be saved by an orderly retreat. **POSES PROBLEM** The Marshall-Acheson policy, which is a policy of non-intervention in the Chinese civil war, is easily open to the criticism that it solves none of our problems. But the critics of this policy, especially the congressional critics, can fairly be asked whether they would in fact wish to involve this country in a serious effort to turn the tide of the Chinese civil war.

There is, of course, a frivolous fringe who think or pretend to think that another billion dollars or thereabouts given to Chiang Kia Shek would make the difference. But no competent military man, beginning with General Marshall, who is a most competent military man, has ever supported the notion that a victory for nationalist China can be or could have been bought on cheap and easy terms.

The American policy of non-intervention may not be glorious and inspiring, but at least it rests on the hard truth that the United States can do nothing effective in the Chinese civil war unless it is prepared to send American troops in there to fight the battles.

The critics of the Marshall-Acheson policy can fairly be asked whether that is what they are prepared to vote for. If they are not, then a little less rhetoric and a little more understanding would be becoming. For those who are not prepared to put up must have the grace to shut up.

MAPS IN ERROR While we wait and see, it will be useful to get a new pair of eye glasses for looking at China. The geography of China is not at all what the ordinary maps that we are used to make it

appear. As we are inclined to think that China is our neighbor across the Pacific. But actually, if we look at a globe, we find that Japan and Russia lie between China and the United States. A ship heading straight from San Francisco to Shanghai would have to make a detour to avoid Japan. Airplanes flying straight from the center of the United States to the interior of

China would have to pass over Russian territory. Even more significant is the fact that China and Russia have a common land frontier which extends from the shores of the Pacific 4,000 mile into the heart of Asia.

Our access to China is only through the ports on the Pacific Ocean, and what goes on beyond this coastal region—in the thousands of miles inland Asia—is beyond the reach of our power and our influence.

Yet it is in the deep interior that the destiny of China will be worked out, and of the many non-Chinese peoples who are legally a part of China.

Wedding rings were set with gems during the Middle Ages and the Renaissance.

WARD WEEK
EVERY PRICE SLASHED!
FOR THIS GIGANTIC CITY WIDE E.O.M. SALE!

From where I sit... by Joe Marsh
How We Liked The Parking Problem
For a while it looked like we'd have to put up parking meters. Folks working in town—including some of the store owners—were taking up all of the space along Main Street.
Farmers coming in to shop never found a place to park, and sometimes had to lug stuff a half mile or so. Some started to do their buying in other towns. Finally, store owners and farmers had a get-together—with the result that the empty field near the depot was fixed up for all-day parking.
Now farmers get their shopping done comfortably, and the merchants have a better place to park than they had before. Just took a little friendly co-operation to make everybody happy.
From where I sit, most differences can be ironed out by just talking things over—maybe with a cup of coffee or glass of beer—and seeing the other person's side of it. Next time you have a problem or a little difference to settle, why not try just that?
Joe Marsh

Attorney Replies To Delegate

Kramer Raps Envoy's Religious Concept

John F. Kramer, sage of Mansfield attorneys, disagreed with a speaker of two weeks ago before the Mansfield Optimist club, when he addressed the same club yesterday.

Kramer, an Optimist himself, answered Nilkanth Chavre, Indian delegate to the UNESCO, who spoke to the Optimist club April 13.

Kramer said Chavre's concept of religion is that of all far Eastern nationalities a negative attitude or approach to God and His teachings.

A "negative" attitude toward religion, Kramer explained, is illustrated by the Golden Rules of the various Asiatic religious denominations.

Examples of the Asiatic negative "Golden Rules" given by Kramer were:

"Buddhism — 'Hurt not others in ways that you yourself would find hurtful.'"

"Brahminism — 'Do not unto others that which would cause you pain if done to you.'"

Kramer declared all of the Eastern hemisphere's religions stress the "not" in their Golden Rules, while the Christian Golden Rule proclaims everyone's duty to do something and not to do it, or "Do unto others as you would have others do unto you."

It is easy for a person to do nothing about a particular affair and let the rest of the world go by, as the Asiatic religions teach, but it takes a Christian to go into the world under the Christian Golden Rule and actually do something for his neighbor, Kramer declared.

Kramer rapped Chavre's statement: "We should not let the Atlantic Pact get into the hands of the leaders like Churchill."

Kramer wanted to know who was going to administer the pact if the leaders don't. His only concern over other countries and this country's leaders was that they don't turn into "bosses," he said.

Army Appeals Court Sought

WASHINGTON — (UP) — Servicemen imprisoned for military crimes could appeal to a top-level court of three civilians under a bill that came up yesterday for approval of the House Armed Services committee.

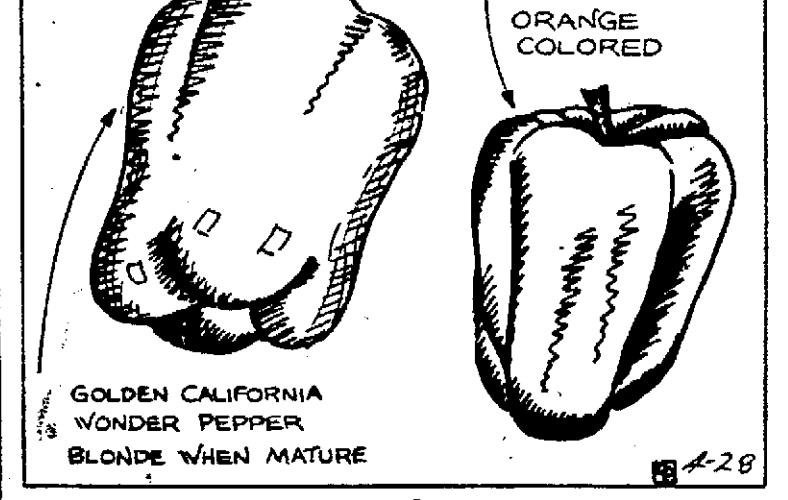

The bill would set up for the first time a uniform code of laws for the army, navy, air force and coast guard.

As a safeguard against abuse, it would create a new "military court of appeals."

The President would appoint the court's three members from the ranks of civilian lawyers. They would serve for life.

Today's Garden Graph

Colorful Peppers Add Glamor

By DEAN HALLIDAY
(Central Press Association)

Peppers are not difficult to grow and they can be used in a great variety of ways, for salads, sauces and pickling purposes.

Some of the newer varieties have been glamorized so that they add sparkling colors as well as spiciness to many dishes.

Among them is Golden California Wonder, a beautiful blond pepper, whose shape and size are shown in the accompanying Garden-Graph.

This golden variety has all the fine qualities that have made the Red California Wonder so popular with knowing gardeners. The large green fruits have the same thick and solid flesh walls and the same fine flavor—sweet, mild and free from all unpleasant pungency. At maturity, however, they turn a rich golden yellow. The flesh of the ripened

fruit is just as sweet and tender as it is in the green state.

Slices of the ripe fruit with their attractive golden yellow color make an appetizing addition to the salad bowl.

Oshkosh, also illustrated, is an attractive bright, yellow-orange pepper. The fruits measure three by four inches and are very mild and sweet in flavor. The orange color of this pepper also makes it especially desirable for salads.

Pepper plants should be set out in the home garden 15 to 18 inches apart in the row. If more than one row is planted the rows should be from two to two and a half feet apart.

The average family will only require a dozen or two of the sweet pepper plants for use in salads and other dishes, and only a few of the plants of the hot pepper for use in sauces or pickling purposes.

Court Fines Five Drivers

Five persons appeared in municipal traffic court yesterday for various traffic violations and were fined a total of \$55 and costs. All five entered pleas of guilty.

Lewis S. Myers, 9 State street, and Donald E. Staley, Ashland, R. D. 3, were fined \$10 and costs each, when they admitted exceeding the speed limits.

Pleading guilty to charges of unsafe operation of their cars, Edward W. Kearns, 495 Crescent road, and Elbert Creager, Mansfield, R. D. 1, were fined \$15 and costs each.

For having an inadequate muffler on his car, Gene Sims, 295 Newman street, was fined \$5 and costs.

K. of P. Auto League Meeting To Attract Nearly 200 Friday

Between 175 and 200 persons are expected here Friday night when members of the Tri-County Auto League of the Knights of Pythias gather for an evening's entertainment.

Charles F. Proctor, chancellor commander of the lodge, heads the committee on entertainment. Serving with him will be Robert Wymer, Wade Culler, Richard Beal, Ray Welty, and Stanley Balliet. The refreshments committee includes Charles Arling, Charles Kime, and T. M. Zerby.

The program will be provided by Jack Lewis and his five-piece orchestra and the Martin sisters from the Marguerite Spears studio.

Members are expected to join the Mansfield group from Bellville, Crestline, Shelby, Mt. Gilead and Bucyrus.

Tonight there will be exemption of degree work. It will be presented at the Castle hall, Fourth and Main streets.

Camping Trip Set By Girl Scouts

Members of Girl Scout Troop 31 will take an over-night camping trip to Camp Niniwan May 20.

Plans for the trip were made at a troop party held at Johns park pavilion Saturday.

The Girl Scouts completed work on their dancer's badges

by planning and presenting the party. Games, contests, and dancing were followed by refreshments served by the girls. During the evening rose corsages were presented to Mrs. H. E. Tremaine and Mrs. T. A. Coleman, troop leaders.

Thurs., Fri. and Sat. Only!

Harold Shalter, owner of City Furniture, and Mrs. Shalter will be glad to serve you.

NOBODY KNOWS A MAN better than the man who works for him. . . I work for many hundreds of newspapers—and I think I know something about their publishers. . . I've gripped about my bosses as much as any other workman in America. . . and I have often told you what I thought was wrong about American newspapers. . . By the same token, I would be less than fair if I didn't report what I thought was right about them.

The publisher of your daily newspaper is backing your Bill of Rights with his very hard cash. . . It took only one Thomas Jefferson, 157 years ago—to define a Bill of Rights. . . But it takes thousands of modern Ben Franklins publishing newspapers to keep those words alive.

The reason you know you are a free man is that you can buy a chunk of liberty by stepping out to the newsboy on any American corner—and handing him a nickel for the daily newspaper.

A favorite cry of the crackpots is that the American Press isn't free—and that big advertisers run the show. . . I work for many hundreds of papers and I can testify that the odds are a thousand to nothing—that that is a lie. It's a very small paper if it isn't bigger than the publishers—and the publishers know it. . . They can't move a phony news product to market for any longer than a shoe store could last selling boots without sales.

They are in the toughest competitive market in America—because you can't put yesterday's newspaper in a warehouse until the market gets better. . . They have just five hours to interest you more than their rival sheet.

There are many departments in a modern newspaper, but it is far from a department store

Hal Boyle

'Off-the-Cuff' Fable Reveals Root of the World's Troubles

IN A VAST MANSION on Mars the president of that planet sat listening to the music of the spheres—the melody made by the stars in their courses.

It was his favorite pastime.

But into the universal symphony came a jarring sound.

The Martian president frowned and twisted the dials of his electronic radio.

"Again that discordant note!" he exclaimed. "This time I'm going to do something about it. It's been ruining my concerts for the last 10,000 years."

So he called his wise men together. Gravely, one by one, they checked, with tuning forks the sound that came from each of the multitudinous bodies in the wide heavens. They they reported:

"Sire, the jarring noise comes from an obscure planet known as the Earth, our neighbor in this constellation."

"That mudball!" said the president.

He had his leading stellar explorer, Rado, brought to him.

"Rado," said the vexed chief-tan, "Trot down to earth and see why the flyspeck in the sky is out of tune."

Rado sprayed himself with invisibility lotion, climbed into his two-seater anti-gravity ship and took off. Exactly a year and a day later he returned to Mars. A great mass of Martians was there to greet him.

"Well, what is the Earth like?" asked the president.

"It is a beautiful globe, washed by soft seas," said Rado. "It is capped at both ends by mountains and wide fields covered with a cool white substance known as snow. And between the caps are green fields and towering cities full of living things."

Library Asks For Bids On Remodeling

Total Project To Cost \$130,000

The board of trustees of the Mansfield Library took its first big step toward remodeling and enlarging the present library building today when it advertised for bids for additions and alterations to the library.

Sealed bids will be received by the board of trustees at the office of the board clerk, Miss Lois MacKellar, chief librarian at the library, until noon May 27.

Miss MacKellar said the board hopes work can be begun as soon as a bid has been accepted. Available for the remodeling and new equipment is \$130,000 provided by two special bond issues.

The work includes general construction work, plumbing, heating, ventilating, electrical work, and elevators in connection with additions and remodeling at the library.

NEW ENTRANCE

Major changes called for in the plans include removing the bank in front of the library and making a street level entrance, and building an addition at the rear of the library for the county division and bookmobile garage on the street level on what is now the main floor.

Plans and specifications for the work are on file with the clerk. They may also be obtained along with bidding forms and other information to bidders from Herbert S. Jones, architect, Farmers Bank building.

Proposals must be made on bidding forms and must be accompanied by a certified check or bid bond of an amount equal to five per cent of the total work bid on. The check should be made out to the clerk of the board and filed with the clerk by the closing date. Bids must be sealed Miss MacKellar said.

The proposals will be opened and read at a board meeting to be held immediately after the close of bids in the library office.

2 Injured In Mishaps

Pedestrians Hit By Cars In City

Two Mansfield pedestrians were injured in two traffic accidents in the city yesterday.

Two-year-old William Musser, 308 Newman street is recovering at his home today from severe head injuries suffered when he was struck by a car in front of his home yesterday.

William K. Ballitch, 42, of 1866 West Fourth street, was treated and released at General hospital yesterday for body bruises received when he was struck by a car while crossing the street at the intersection of North Mulberry and West Third streets.

Adam Schambre, 51, of 676 Olivesburg road, driver of the car which struck the Musser boy, told police the boy ran out into the street from between two parked cars.

His south-bound car struck the boy with its right fender. William was thrown to the pavement and rolled approximately six feet.

Schambre took the boy to General hospital where he was treated and released.

Carl W. Ludwig, 42, of 211 Vale avenue, was the driver of the car which struck Ballitch about 6 p. m. yesterday.

According to police, Ludwig was traveling east at the intersection of Third and Mulberry streets and attempted to make a left turn from Third onto Mulberry street, striking Ballitch. Ballitch was crossing from the east to the west curb and was approximately in the middle of the intersection when he was hit, police said.

Ludwig was arrested for failure to yield the right of way to a pedestrian.

Mrs. Southard Dies at 58

Mrs. Louise Southard, 58, wife of Jack Southard, Harding road, died Wednesday night at Madison hospital, following a brief illness.

Mrs. Southard was born Nov. 24, 1890 in Princeton, Ky., coming to Mansfield 23 years ago.

Surviving, besides the husband, are two sons, James and Willie; a brother, William Coleman and six grandchildren, all of Mansfield.

The body is at the home on Harding road, where services will be held at 10 a. m. Saturday conducted by Rev. John G. Genzel, pastor of the St. Paul Lutheran church. Burial will be in the Mansfield cemetery. Arrangements are in charge of the Wampler funeral home.

Get \$3,000 In Fund Drive

With approximately \$3,000 received so far in the Salvation Army campaign to raise \$15,000 for remodeling its present building, George H. Smith, chairman of the advisory board of the Salvation Army, expressed confidence today that the group would reach its goal.

Smith said he was pleased with the size of contributions, but they had been a little slow coming in. He added he was mailing reminder cards today to prospective donors who have not yet made their contributions.

All checks should be made payable to Guy H. Lautsbaugh, treasurer, and sent to campaign headquarters at the Mansfield Printing company, 84 East Fourth street.

The proposals will be opened and read at a board meeting to be held immediately after the close of bids in the library office.

Baseball Diamonds Sought as Memorial

Providing baseball diamonds for Mansfield and Richland county will be the number one living war memorial the Richland County Joint Veterans' commission, the organization decided last night.

The commission previously decided to delay its program for a million-dollar memorial because of several other drives for funds in the city area.

Stanley Kamen, director of the Mansfield Recreation department and a member of the JVC's memorial advisory board, said he favored the baseball diamond plan and pointed out the Hot Stove league is seriously handicapped by a lack of playing facilities.

R. H. Todd, president of the Veterans' Commission, said a preliminary survey in cities comparable in size to Mansfield showed Mansfield is lagging in recreational facilities. The JVC president pointed out that Ashland, a smaller city, has as many baseball and softball diamonds as Mansfield.

Todd said Hamilton has 30 softball diamonds (three of them lighted) and eight baseball diamonds, all city owned; Mansfield has five city-owned softball and one baseball diamond, none of them lighted for night games.

The JVC has received word from three Mansfield civic groups that they will back the JVC in its efforts to provide additional recreational facilities for the city and the county.

Reserves Plan Ohio Meeting

Mansfield Reserve officers were urged today by Capt. C. C. Castor, acting unit instructor of the Army Organized Reserve, to attend the all-Ohio Reserve Officers conference tomorrow, Saturday and Sunday at the Neil House hotel, Columbus.

All Reserve officers, regardless of their branch of the services have been invited to attend the conference. Officers need not be a member of the Reserve Officers association, Castor pointed out.

Both Army and Navy top officers will address the convention, headed by Vice Admiral William M. Fechtler, from the Navy Personnel Division, Washington, D. C.

Full details on the convention program can be obtained at convention headquarters at the Neil House hotel, Castor said.

Primary Balloting Booths Announced

There will be three changes in the location of voting places when Mansfielders go to the polls Tuesday to select party nominees for city offices.

Voters in the Second ward, Precinct C, will go to the rear of 599 Park avenue west instead of the Bowman garage at Sherman avenue and Summit street. In the Third ward, Precinct I, the balloting place has been shifted from the Amos Day garage to Lemley Dry Cleaners at 457 Sherman place.

In the Sixth ward, Precinct E, voters will go to the C. C. Shaffer residence, 239 East First street, instead of the E. W. Gann residence.

Here is a complete list of the balloting places.

FIRST WARD

A—Early garage, corner of South Mulberry street and Glessner avenue; B—Council chamber, city hall; C—M. W. Latner residence, 185 Sturges avenue; D—Marion avenue school building; E—Mrs. Anna Knote garage, 119 Carpenter road; F—West First street school building; G—Prospect park building; I—Wolford funeral home, 34 Sturges avenue; J—Wareham barber shop, 60 Blanchard street; K—Joseph P. Kempf garage, rear 106 Lexington avenue; L—Prospect school building; M—Johnny Applesseed junior high school building, Cline avenue.

SECOND WARD

A—Marion avenue school building; B—Jones funeral home, 681 Park avenue west; C—rear 599 Park avenue west; D—Charles W. Chew garage, 610 Highland avenue; E—Leppert garage, Woodward avenue; F—Woodland school, Davis road; G—former South Boulevard villa; H—Woodland school, Davis road.

THIRD WARD

A—Finefrock's mortuary basement, rear 100 West Fourth street; B—West Fifth street school building; C—116 Park avenue west; D—66 North Mulberry street; E—Central Methodist church, 31 Sycamore street annex; F—John Simpson junior high school, 200 West Fourth street; G—Russell Berno residence, 177 Penn avenue; H—Rufus Kern garage, rear 603 Park avenue west; I—Lemley Dry Cleaners, 475 Sherman place; J—rear of Western avenue school building; K—Sun Glow basement, 270 West Sixth street, west side; L—Robinson garage, rear 634 West Fourth street.

FOURTH WARD

A—Taylor residence, 74 Harker street; B—Roger Au office, 518 Bowman street; C—Bowman street school building; D—Young's Implement store, Springmill street; E—Underwood's basement, 367 Springmill street.

FIFTH WARD

A—Newman street school building; B—Friendly home, 268 North Main street; C—Bushnell school, East Fourth street, west side; D—Sons of Herman hall, corner Orange street and Central avenue; E—Anton Maurer, 276 Grace street; F—Zellner Harness shop, 71 North Diamond street.

SIXTH WARD

A—Basement court house, county agent's room; B—W. L. Beckley residence, 135 South Diamond street; C—H. H. Berio garage, rear 334 South Diamond street; D—Hedges street school building, west side; E—C. C. Shaffer residence, 239 East First street; F—in Fire Department No. 3, 40 Chestnut street; G—Worth's residence, 278 South Diamond street; H—Bissman's garage, rear 61 South Adams street; I—basement court house, tax appraisal room.

Up and Down the Street . . .

BOOKMOBILE IN PICTURES

A photographic description of the service provided by the bookmobile of the Mansfield Public library is now on display at the library. The exhibit is centered with a large map of Richland county on which have been placed colored pins designating school, village, and branch library stops made by the bookmobile this year. Surrounding the map are mounted snapshots showing the bookmobile stopping at various county schools. There also are three large pictures of the interior of the bookmobile taken at Shiloh, Lucas, and Butler. These pictures were used in school annuals this year.

GOT A GAVEL

The Richland county Joint Veterans Commission finally has a gavel for its president to bang. Harmon Freeman, delegate to the JVC from Amvet Post No. 26, presented the JVC with a machinist's amber plastic hammer last night to be used as the group's "official president's gavel."

Chatter . . .

Mr. and Mrs. Rex Gilbert, 370 Marion avenue, receiving word of the birth of a son to Mr. and Mrs. James Gilbert of Barborton. The child was born Wednesday in the Barborton hospital. Gilbert is with the Ohio Brass company in Barborton.

Miss Gloria Morton and Miss Anne Parsons appearing with the Bethel Women's college choir in Louisville, Ky., today and tomorrow. The choir will sing in the Deer Park Baptist church and on the program of the Choral Festival sponsored by the Kentucky Federation of Music clubs during its annual state convention. Miss Morton, daughter of Mr. and Mrs. E. O. Morton, 179 Lind avenue, and Miss Parsons, daughter of Mr. and Mrs. Richard Parsons, 88 Dawson avenue, are students at the Hopkinsville, Ky., college.

Mansfielder David H. Brunk, a senior in electrical engineering at the State University of Iowa, Iowa City, Iowa, being initiated into Beta Iota chapter of Eta Kappa Nu, national engineering honorary society.

Calvin E. Jordan jr., airman in the Navy, son of Mr. and Mrs. Calvin E. Jordan sr., Mansfield, R. D. 2, among 269 passengers aboard the Navy's Caroline Mars during the giant flying boat's recent record breaking flight from San Diego, Calif., to the Naval air station at Alameda, Calif. The plane broke its own passenger record of 222 persons set Feb. 25.

Conrad M. McClurg, seaman in the Navy, son of Mrs. Mary McClurg, 340 Muth road, serving aboard the heavy cruiser, Columbus, which was host to 22,136 residents of Plymouth, England, during British Navy Days.

Lt. Col. William C. O'Dell, former Mansfielder who is now stationed at the Pentagon in Washington with the department of the army, will be heard tonight on the Army Hour broadcast over the mutual network at 8:30 p. m. He will talk on the nationwide radar defense project.

Teacher-Speaker Bureau Planned By Federation

Promotion of a speakers' bureau of Mansfield teachers will be fostered by members of the Mansfield Federation of Teachers, Ensil McNab, incoming president, told members last night.

Meeting at the First Methodist church, they heard McNab outline his platform for the coming year. The speakers bureau, was one of the "planks" in that platform. McNab said that it will be headed by Ralph Juniper, senior high school mathematics teacher and that speakers will be available to all city organizations.

McNab succeeds W. B. Lantz, who presided at the dinner meeting last night.

Other planks in McNab's platform include: inauguration of a plan to relieve overcrowding of schedules for city teachers; a study of teacher placement in the city; emphasis on the quality of membership in the federation; and continuation of the publication of EDDE, the federation magazine.

The program to relieve teachers of overcrowded rooms and equally overcrowded schedules, will be inaugurated when the new buildings are completed, McNab said. Nothing definite has as yet been outlined.

McNab also announced committee chairmen for the year.

Pork, Lamb Prices Ease Downward

Heavy Buying Ups Egg Cost

(By Associated Press)

Pork and lamb prices eased a little at many retail stores this week. Other meats held mostly steady.

Top grade eggs were up two cents a dozen in some places, reflecting more active commercial and government buying. Most fresh vegetables, with the exception of sweet corn, sweet potatoes and new potatoes, were lower.

Some pork cuts declined as much as 6 cents a pound in large supermarkets. Meat buyers said demand for pork was easing as the weather became warmer and competition from spring lambs and vealers increased.

Lamb chop prices continued the slow descent from the record high levels of two weeks ago as receipts picked up. Reductions on choice loin chops this week ranged as high as 10 cents a pound in some market centers. Veal prices tended to work slightly lower with the arrival of spring vealers.

Beef was unchanged. In the produce department, brisk demand for sweet corn from Florida and the price upward. Produce buyers said the corn was the best quality for this time of the season in several years. Although Florida was shipping much larger amounts than usual, the supply is inadequate.

New potatoes were a little higher this week because rainy weather in Texas and Alabama curtailed harvesting, an Agriculture department spokesman said. This left Florida and California to carry the major supply load at a time when demand was growing steadily.

However, vegetables like spinach, kale, parsley, radishes, scallions and leeks were reported becoming so plentiful and low-priced that growers were having difficulty breaking even on costs. Asparagus and peas also were lower-price leaders.

State secretary Malcolm McCabe of the Massachusetts Retail Grocers and Provision dealers said the current "inflated" wholesale price of pork loins is too high and must come down.

Discuss Land Sale Picture at Clinic

Real Estate Experts to Speak Here

Leading Ohio real estate authorities are scheduled to speak in Mansfield Wednesday during a real estate clinic which is expected to attract an attendance of 200.

The all-day session will be held at the Mansfield Leland hotel, starting with registration at 9 a. m.

A. B. Reese, Mansfield Realtor and vice president of the Ohio Association of Real Estate Boards, will preside at the meeting.

The welcome address will be given by William C. Laseer, president of the Mansfield Real Estate Board, who will serve as general chairman at the conference.

"Selling Real Estate in the Buyers' Market" will be the topic of John T. Bonner Jr., Columbus realtor who is an instructor

IVAN GORE

in real estate at Ohio State university.

Herbert Laronge, of Joseph Laronge, Inc., Cleveland realtors, will discuss "Brokerage, 1949 Model."

"The Department of Commerce and You" will be one of the speeches highlighting the afternoon session. It will be given by Robert L. Moulton, director of the department of Commerce of Ohio.

J. Earl Miller, of Geneva, vice president of the National Institute of Farm Brokers and past president of the Ohio Association of Real Estate Boards, will be another afternoon speaker. He will discuss "Farm Selling Today."

Ivan H. Gore, president of the Ohio Association of Real Estate Boards, will deliver the concluding speech, "What's Ahead in '49."

Ohio Sales Tax Districts Pared

State Tax Commissioners C. Emory Glander yesterday reduced the number of sales tax districts from 12 to nine, closing district offices in Lima, Portsmouth and Steubenville.

Mansfield is the sub-district office for District 9 with Norwalk as district headquarters. The district includes Ottawa, Sandusky, Richland, Ashland, Crawford, Marion, Morrow, Knox, Seneca, Huron, Erie, Lorain, and Wyandot counties.

Add a little garlic salt to the flour in which chicken for frying is to be rolled for a new and piquant flavor. Paprika also may be added.

BELIEVE MAN DROWNED
NAPOLEON (2) -- Denver Clark, 29, of Wauseon, was believed drowned yesterday when a boat capsized in the Maumee river.

Survey Shows One-Tenth of Farmer's Income Comes From U. S. Government

WASHINGTON — (AP) — About one-tenth of the cash income of U. S. farmers is coming from the government.

Summarizing the situation, Department of Agriculture officials say this is what has happened in nine months:

Farmers' cash receipts have totaled around \$24,400,000,000.

The government has paid out \$2,396,000,000 in loans on crops, crop purchases and payments

for soil conservation work and in the sugar production program.

The loans on crops and crop purchases, part of the price support program, totaled \$2,290,000,000. The remainder of the pay-

ments was for soil conservation and sugar benefits. But, while the government thus invested \$2,290,000,000 in its price support program, it doesn't mean the U. S. taxpayers actually have contributed this amount to farmers.

The government either has possession of the crops or will have possession if the farmer doesn't repay the loans. The government then can resell the commodities. It may lose, it may break even or it may make a profit on the transaction.

The Commodity Credit Corporation, which handles the transactions, says its books show a profit of around \$80,000,000 on all transactions since 1933, when it was created.

In recent years, however, the government has been losing money on price support transactions.

The net farm income in 1948 was \$17,428,000,000. This was two per cent under 1947, when the farmers had the highest net income in history. It was the first time in a decade that the farmers' net income had dropped.

But this \$17,428,000,000 was worth only \$7,900,000,000 in terms of the purchasing power of the farm dollar in the 1935-'39 period.

While the 1948 net income dropped only two per cent compared with 1947, the purchasing power of this net income had dropped approximately eight per cent.

This is why the buying power of the farmers' income is less today than in 1943, even though his total income is the highest in history.

Farm income went up sharply after the war, but prices of things the farmer has to spend his income for went up even more.

Gets Labor Pact

BUCHYRUS — Crawford county commissioners have awarded the contract for labor on the 4,000-foot Sherman Gifford ditch in Whetstone township to F. R. Gannon on his bid of \$1,642. James R. Kehrer, commissioners' clerk, announced today.

Prepare To Slice Huge NSLI Melon

\$2 Billion Will Be Awarded Vets

WASHINGTON — (INS) — The government is preparing to slice up for 16 million veterans a two-billion dollar pie stuffed with excessive G. I. insurance payments.

This was revealed by a top Veterans administration official who said dividend payments on National Service Life Insurance policies "may be possible by the end of this year."

The government insurance experts declare the cuts will depend on the amount, type and length of policy held. He said that dividends will average \$125 for each person who held NSLI for three months or more during World War II and up through 1947.

Actually, payments will vary from less than a dollar to several hundred dollars. Beneficiaries of G. I.-insured service personnel killed during World War II also are included in the divvy-up.

After initial payments, the official said that dividends would be on an annual basis on premiums paid during the previous year.

This would cover those persons who contracted NSLI after 1947. A policy-holder's share is to be computed as of the policy's anniversary date and payment made thereafter.

In presenting the status of current NSLI, officials said that face value of GI insurance outstanding is about 41½ billion dollars.

Policyholders' payments are running about 390 million dollars annually, and interest from the treasury more than 200 million dollars annually.

BATTLE CREEK SPECIAL PURPOSE FOODS

BLOCKADE LIFTED—The Russians aren't the only ones concerned with a food "blockade," little Cora, Berlin zoo lion cub, declares. Cora's mom imposed one of her own so the cub turned to a female boxer for her food supply. Just a milk run, as pilots would remark.

118 Jailed By Liquor Agents

COLUMBUS—(INS)—Eighty raids by the enforcement division of the Ohio Liquor department were reported yesterday to have netted 118 arrests in March.

Led by Anthony A. Rutkowski, the enforcement division cracked down on one still in Lawrence county.

Fines collected last month totaled \$11,370 from the 85 convictions. Jail terms meted out to liquor violators totaled 860 days.

The board heard 120 cases and the enforcement division received 105 citations from the districts.

Services Arranged

OXFORD — (U)—Services for Mrs. Virginia Dare Brown, 96, Oxford's oldest resident, who died Tuesday night, will be held tomorrow.

Customers' Corner

Freshness is an important factor in determining the value of the food you buy.

That is why A&P has an extensive freshness control program, calling for rapid turnover, proper refrigeration, and trained employees.

All these things are designed to insure your finding only fresh foods of top quality at your A&P ... to insure your getting your money's worth.

If you should ever get any food in our stores that fails to live up to our exacting standards of freshness, we will consider it a favor if you will return it to the store for refund.

And we will appreciate any suggestions you may have as to how we can make your A&P store a better place to shop.

Please write. Customer Relations Department, A&P Food Stores, 420 Lexington Avenue, New York 17, N. Y.

Fancy Sliced Swiss lb. 75c
Choice center slices ... all rind removed

Three Seek Democratic Council Nominations In Third Ward

Entered in the race for the Democratic nomination for Third ward councilman is Walter G. Reed . . . He is in the real estate business. . . Previously worked at Westinghouse and at Empire Steel company. . . Once, worked for five years for the city street department. Has been a resident of Mansfield for 24 years. . . He is a member of the Toastmasters club, Baku Grotto, Moose, Madison Grange, Masons and Park Avenue Baptist church. . . Was president of the City Employees' union from 1939 to 1941. . . Also served as state vice president of Municipal Employees of Ohio. . . Hobbies are fishing and reading. . . Married, has four children, and lives at 325 West Third street.

WALTER G. REED

Seeking the Democratic nomination for Third ward councilman is Glenn T. Hoffman . . . He is employed as an electrician by the National Electric company. . . Born in Fremont, he moved to Shelby at an early age. . . Graduated from high school there. . . Has lived in Mansfield since 1938. . . Served four years in the Navy as a metalsmith. . . Saw duty on a cargo ship in the Atlantic and on a destroyer in the Pacific, for a total of 31 months of sea duty. . . Is on the board of trustees of the Amvets. . . Hoffman is a member of the Central Methodist church. . . Married, has one son, and lives at 509 Heineman boulevard. . . Hobbies are fishing and a home workshop.

GLENN T. HOFFMAN

One of three Democrats seeking their party's nomination for Third Ward councilman is Carl B. Bair . . . He has been employed at Westinghouse for the past 16 years. . . Presently, he is a foreman on the range line. . . Went to work at the Westinghouse plant on graduation from Mansfield Senior high school. . . Bair was born and reared in the Third ward. . . He is a member of the Moose. . . Is a member of St. Matthews Lutheran church. . . Hobbies include all sports. . . Married, has two sons, and lives at 229 Elmwood drive. . . Bair and the other two candidates for this nomination are all newcomers in politics in Mansfield.

CARL B. BAIR

Clock Watchers Will Be Watched

COLUMBUS — (UP) — Any employee of the State Taxation department who spends the closing minutes of the work day watching the office clock might find himself at the bottom of his class.

State Tax Commissioner C. Emory Glander disclosed today that a new rating system has been put in use in his department to provide "a uniform method of appraising the personality and work habits of employees."

Odd Bills Confront State Legislators

CHICAGO — State legislators don't handle bills in odd lots, but they handle lots of odd ones.

Take a look at a few brand new laws.

You can't hunt while drunk in North Dakota.

But, if you're a volunteer fireman on the way to a fire in New York state, you can display a blue light on the front of your car.

Baseball games, horse races and other sports events that start after noon on Memorial day now are legal in Nebraska. A 1905 statute had banned such diversions on the holiday.

You can start fishing in April, instead of June, in a place in Massachusetts known as Lake Chagoggagoggman chauggagoggchaubuna gungumaugg. A solon said the name, translated from Indian, means: "You fish on your side, I fish on my side—nobody fishes in the middle."

Many unusual measures were introduced in other legislatures this year. The lawmakers may have greeted each one with the comment: "That's one for the books." But they didn't seem to be in any hurry to put them there.

Bills that still were alive late in the season demanded: Regular fumigation of Pennsylvania telephone booths and tuxicabs.

A cuspidor in every room in every public building in Illinois. Tickets for public events in Michigan that would carry a clear notice if the seat is behind a post.

Spray deflectors on trucks and busses in Pennsylvania to keep them from splashing the windshield of vehicles behind them.

Here are some singular suggestions that were killed or allowed to die:

A proposal to make Maine auto licenses in the shape of potatoes. The sponsor said it would make Idaho "green with envy."

A plan to build walls 20 feet high around Indiana nudist camps—and to limit their operations to December, January and February.

A move to make Labor day the third Monday in September in Wisconsin and thus add a couple of weeks to the state's summer resort season.

A bill to require a skill and cror sbones poison label on liquor sold in Iowa.

Oregon had a chance to confine the crunch and crackle in movie houses to marching troops and trigger happy cowboys on the screen. But death in a committee room came to a bill to prohibit the eating of popcorn in theatres.

Rainbow Division Vets Plan Supper Saturday

The Luther Swigart Chapter of the Rainbow Division Veterans will hold a covered-dish supper at Prospect park Saturday at 7 p. m.

The veterans' organization will hold its regular meeting following the dinner.

LEGAL NOTICE
Notice is hereby given that Earl Daniel Parrot of Lucas, Richland County, Ohio, will file his petition in the Probate Court of said county, praying for an order of said Court authorizing the change of his name from Earl Daniel Parrot to Earl Daniel Henry, said petition will be for hearing before said Court on the 28th day of May, 1949 at 10:00 A. M. or as soon thereafter as the Court may hear the same.

Hospital Sponsors Tea

Mansfield General hospital will sponsor a tea for all girls in this area who are interested in nursing and are considering entering the fall class at General hospital, Wayne A. Copeland, superintendent of the hospital, has announced.

The tea will be held at the nurses' home May 7 from 2 to 5 p. m.

It will climax a series of visits which members of the nurses training faculty have made to 40 high schools in this area. Faculty members spoke to junior and senior classes at the schools about nursing in general and about training at General hospital.

Sealed proposals will be received by the Board of Trustees of the Mansfield City School District Public Library, at the office of the Clerk, Miss Lois MacKellar, Public Library, 43 West Third Street, Mansfield, Ohio, until Twelve O'Clock (12:00) Noon, E. S. T. Friday, May 27, 1949 for General Construction Work, Plumbing, Heating Ventilation, Electrical Work and Elevators in connection with additions and alterations to the Public Library Building in said District.

Plans and Specifications are on file with the Clerk at Mansfield Ohio and may be secured, together with Bidding Forms and Information to Bidders from the Architect, Herbert S. Jones, Farmers Bank Building, Mansfield, Ohio. When proposals are filed they may not be withdrawn for a period of thirty (30) days after the scheduled date of receiving bids.

Proposals to be publicly opened and read at a meeting of the said Board of Trustees held immediately after the closing time for the receipt of bids in the office of the Clerk and the Board of Trustees in the Public Library Building.

Proposals shall be on Bidding Forms provided to be written with ink or typewriter, signed by the individual bidder or an officer of company bidding and accompanied by a certified check or a bid bond in an amount equaling Five Per Cent (5%) of the total work bid upon made out to the Clerk of the Board of Trustees and shall be filed with the Clerk not later than the closing date stated. Seal bid and endorse. Bid for Additions and Alterations to Mansfield Public Library.

The Board of Trustees reserves the right to reject any or all bids and to waive informalities.

BOARD OF TRUSTEES OF MANSFIELD CITY SCHOOL DISTRICT PUBLIC LIBRARY

(Signed) WM. MCE WELDON President.

(Attest) LOIS MAC KELLAR, Clerk (April 28, May 5, 12, 19, N.J. '49)

LEGAL NOTICE

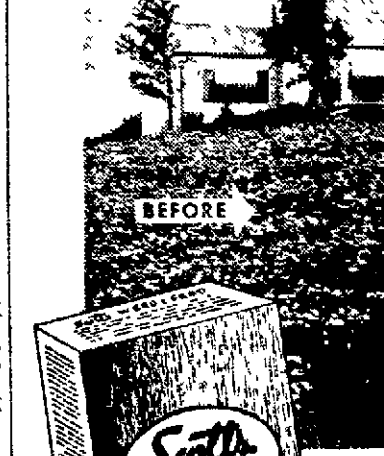

Sealed bids will be received by the Village Council of the Village of Lucas, Richland County, Ohio, for the sale of the Village Hall, a frame two-story building located on Lot Number 113 on Union street in the village of Lucas, Richland County, Ohio at the office of Village Clerk until 7:00 P. M. (EST) on May 19, 1949, said building to be removed from said premises within thirty days from letting of contract. Bids to be filed with the Clerk accompanied by a certified check in the amount equal to one-half of the bid price, and the balance upon letting of contract.

Council bids. WALTER PRITCHARD Mayor W. SNIDER, Clerk (March 31, April 7, 14, 21, 28, N.J. '49)

LEGAL NOTICE

Sealed bids will be received by the Director of Public Service-Safety of the City of Mansfield, Ohio, at the office of the said Director, until 12 o'clock noon, E. S. T., May 16, 1949, for the improvement of various departments of the City of Mansfield, Ohio, by the furnishing of one hundred seventy four thousand dollars (\$174,000.00) of fire and extended coverage insurance on all property of the City of Mansfield, Ohio, excepting vehicular equipment, to become effective on expiration of current coverage.

Envelopes must be plainly marked "Bid for Insurance on City Property". Bids may be presented in letter form and each bid must contain the full name of every person or company interested in the same and be accompanied by a certified check on some solvent bank in the sum of \$50.00 payable

The freshly-crowned bottles march under Mike Gauder's experienced eye, en route to the pasteurizer.

"I crown the king of beers", says Gauder

The bottles Mike Gauder is watching have just come from the crowner. Those parading behind his back are sparkling clean and sterile, fresh from the washer and soaker. At the right, you can see the bottles on the filler.

The beer itself has just come from its long, slow aging—a process that just can't be hurried. The beer rests in huge glass-lined tanks which are deep in dark, cool cellars, while nature helps it take on the flavor that Burkhardt's is famous for.

Here the beer is still cool—under 40 degrees—when it comes to Gauder's station at the filler. It has to be cool, so it doesn't lose its carbonation and sparkle when it pours into the bottles and cans.

Then the filler must handle it just right, so no air is left in the bottle. And each bottle is crowned with a seal that's lined with an aluminum spot—an extra protection to guard the Burkhardt flavor.

All these machines pretty much run themselves. Sometimes Gauder doesn't seem to be watching them, but he's alert every minute. And, of course, every single bottle goes past an inspector before it slides into the pasteurizer.

Gauder is familiar with all this equipment

along the bottling line, because he's been with us since 1941 except for the time he spent in the Army. His job often takes him from one position to another just like a top flight utility man on a ball club.

Gauder was born and raised in Akron, and he's been married to an Akron girl for nearly a year. Together, they're spending a lot of time sprucing up their home at 457 Lamparter Street where Mike's special concern through the good growing weather was his rock garden which rises to a height of ten feet.

In the wintertime, he gets his recreation on the bowling alley. Last season, he was good enough to bowl with the Sons of Herman team which gave a good account of itself in its league.

We're proud to have men like Gauder working with us. Proud to see the care with which he watches the machines that seal in the Burkhardt flavor so it always reaches you at its peak.

We're proud of the interest that men like Gauder take in their work. We believe this is the extra—added to superb ingredients—that gives Burkhardt's the distinctive flavor that so many people like best.

Free Goods Prove Boon For Italy.

Pella Lauds Rosy Treasury Outlook

By FRANK BRUTTO
ROME — Mr. and Mrs. American taxpayer, step up and take a bow. You have, in effect, almost balanced the Italian budget.

Ever since Treasury Minister Giuseppe Pella gave the Italian Senate a picture of Italy's improving finances and forecast a balanced national budget at least by 1952, there have been cheers and jeers.

Most Italians cheered. The jeers came from communists who charged that the good prospect partly was due to skillful handling of figures.

But none looked too pointedly at one simple figure:

The \$2,000,000,000 of flour and coal and steel and medicine and almost anything else you could mention that has been pumped into the Italian economy since the war ended—paid for by American taxes.

Italy got it free.

If Italy had to pay for these goods—as in normal economic procedure—it would have added expenses of 1,150,000,000 lire (\$330,000,000 at the current 575 lire rate)—a sharp cut from the all-time record deficit of 787,000,000 lire (\$1,400,000,000) recorded last year.

As Italy's budget now stands, Pella told the senators, there will be a deficit for the current fiscal year of only 480,000,000 lire (\$830,000,000 at the current 575 lire rate)—a sharp cut from the all-time record deficit of 787,000,000 lire (\$1,400,000,000) recorded last year.

Pella further forecast for 1950 a deficit of only 170,000,000 lire (\$300,000,000) which may be cut directly by applying against it 70,000,000 lire of the lire fund—money realized by the sales of American goods free to Italy, but paid for by American taxes.

Communist "Unità" in a front page editorial entitled "Pella's Miracles" objected to this bookkeeping transfer, but did not mention the American origin of the funds.

Milan's big circulation weekly "Europeo" in its interpretation of Italy's almost rosy finances said "Italian pleasures are balancing the budget."

But Europeo did not mention the two billion dollars \$1,150,000,000,000 donated to Italian economy by American tax-paid goods.

3 Named On Committee

Robert F. Horn, Robert B. Meese, and Charles A. Robertson, officers of the Mansfield Ashland Association of Life Underwriters, have been appointed to serve on the attendance committee for the annual convention and sales congress of the Ohio Association of Life Underwriters.

The meeting will be held at the Commodore Perry hotel, Toledo, May 6 and 7.

Life insurance writers from nearly every county in the state are expected to attend the Toledo meeting.

In addition to speeches and company meetings, there will be a style show the afternoon of May 6 for visiting women.

That evening the customary president's reception and ball will be held. May 7 there will be a CLU breakfast, a women underwriters' breakfast, and a cashiers' breakfast.

4-H Club Plans Trip to Columbus

Members of the Richland Senior 4-H club are planning to attend the annual "Folk Festival" April 30 at Ohio State university, Columbus. Plans for the trip were made at a meeting held at Liberty park pavilion.

The group learned several new folk dances and circle games at the meeting.

The program committee for May includes Ruth Brook, chairman; Marilyn Swisher, Dick Wolford, and Betty Hutchinson.

Youth Badly Burned By Flashbulb Trap

CLEVELAND — A 14-year-old boy was burned seriously last night when a home-made booby trap fashioned from a photographer's flash gun exploded in his face. The trap was laid by Rudolph Lovas, 37, a clerk, whose west side house was ransacked four times in recent months.

The gun was placed in a bedroom drawer and set to go off when the drawer was opened six inches.

Cuplets' precision blend of finest ingredients gives you cup cakes that are light and tender at every baking. Easy, too. Just add an egg and milk.

CUP CAKE MIX

FIRE HAZARD—Sandra Morgan points out to her father a fire hazard in a frayed electric lamp cord. The potential fire starter was discovered in the home of Mr. and Mrs. E. L. Morgan, 460 Woodward avenue, as father and daughter were checking the clean-up list distributed in Mansfield's grade schools yesterday. The list is a part of the program of the Junior and Senior Mansfield Chambers of Commerce "Clean-up, Fix-up, Paint-up, and Control Rats" week which begins Sunday.

County Farmers Get Say In Nation's Capital Today

The voice of Richland county farmers will be heard in congressional chambers today in Washington.

Pharis Owen, Farm Bureau Federation legislative representative for the 17th congressional district and Richland county, will meet along with 21 other Ohio Farm Bureau legislative representatives with Secretary of Agriculture Brannan, Ohio Senators Robert A. Taft and John W. Bricker and Representative J. Harry McGregor.

The farm group will discuss with the lawmakers the farm bill, rural health, telephone service, and soil fertility programs. Owen was named representative of this district by a group of county Farm Bureau legislative chairmen, including C. R. Mengert of Richland county, at a meeting in Mt. Vernon earlier this year.

Puerto Rican Stamp on Sale

The Mansfield post office placed on sale today 20,000 stamps commemorating the first gubernatorial election in Puerto Rico.

A three-cent stamp, it is green and has a picture of a Puerto Rican native holding a machinery gear in one hand and a ballot box in the other. The country's first election of a governor was held last year with the inauguration being held in January of this year.

Rail Issue Still 'Hot'

CHICAGO — (UP)— A spokesman for officials of the Brotherhood of Locomotive Engineers said yesterday that they expected to discuss for at least two days a presidential fact-finding board's rejection of their demand for an additional engineer on multiple-unit diesel locomotives.

James P. Shields of Cleveland, chief engineer, said that the chairman, meeting here, began discussion of the board report and "got sidetracked on another matter."

The union once set a Jan. 31 strike date, which was canceled by the appointment of the board. Under the automatic operations of the Railway Labor act, the union will be free to strike against 15 railroads May 11.

Members of the fact-finding board said the proposal for another engineer on the diesels had no "reasonable or logical" basis.

Police Proximity Of Little Avail

CHICAGO — (UP)— Joe Bender, who operates a saloon next door to central police headquarters here, is an easy-going man. But when some policemen came in for their morning coffee and rolls, Joe exploded:

"What kind of protection has a guy got around here?"

Joe told them somebody had stolen six dozen rolls left by a delivery man at the entrance, which is 25 feet from the door to the police building.

The first telephone line used for commercial purposes ran from the home of Charles Williams, Jr., Somerville, Mass., to his Boston factory in 1877.

- Give linen closets, kitchen cupboards, fruit cellars extra care at housecleaning time. Add Roman Cleanser to scrubbing suds. It combats musty, stale odors—makes everything fresh-smelling.

Sentenced In Fraud Try

COLUMBUS — (INS) — A Columbus factory engineer was sentenced to one to three years in the penitentiary yesterday for obtaining money under false pretenses from a member of the royal Egyptian embassy in Washington.

Alfred S. Albinek, 47, entered a plea of guilty to the charge before Franklin county Common

Pleas Judge Cecil J. Randall. He was indicted for accepting a check from M. S. Kadri in payment for an auto which was never delivered.

Kadri is supervisor of all Egyptian students in American universities.

Remains In Empire

LONDON — (UP)—The commonwealth conference has agreed on a formula permitting India to remain within the British commonwealth as an independent republic, it was learned yesterday.

Cuff Stuff By Fred Sharp (News-Journal Sports Editor)

IT'S LUCKY the New York Yankees can't win without Joe DiMaggio. If they had the Big Guy, the American league pennant race would probably be over right now. Kent State has broken ground for a new \$1,330,000 physical education building. The gym will seat 10,000 and feature three 50x90 foot basketball courts. The swimming pool will be 46x75 feet. A half-dozen intra-mural fields will surround the new plant. Johnny Blood started playing pro football in 1925 and gave up the sport in 1945 because he realized that pro football wasn't a sport for a 42-year-old. Blood's favorite player is Bill Dudley of the Detroit Lions. Johnny says, "Grange could run better, Nagurski could hit the line better, a lot of fellows could run and kick better, but Dudley does the most things the best. He's a little fellow with big courage and a tremendous thinker. Four Bill Dudleys in a backfield would be the best backfield of all time."

THE LONE STAR state is giving North Carolina a run in the pro baseball business. North Carolina tops the country with 42 pro teams while Texas has 41. Luke Appling, starting his 19th year as a White Sox infielder, has hit .300 or better for the last five years. His lifetime hit average is .312. Irv Dusak of the Cards has played every position in major league baseball except first base and catch. An outfielder last year, Dusak is taking a fling as a pitcher.

BOB FELLER has whiffed exactly 2,000 batters in his 10 years in the majors. The late Walter Johnson struck out 3,497 in 20 years. Johnson led the league in strikeouts 12 times while Feller has been tops seven times. Chuck Griffith, the Washington proxy, topped American league pitchers with a 24 won, seven lost record. The catcher is the only player in baseball who can wear a leather glove or mitt of any size, shape or weight.

Ohio State Opens Baseball Series With Indiana Nine

COLUMBUS — (UP) — The Ohio State baseball team, fresh from a victory over Ohio Wesleyan, opens a two-day stand at Indiana university tomorrow.

Both teams go into the series with a 1-1 record in western conference play.

Meanwhile, Ohio State's track, golf and tennis teams will see action this weekend.

The scarlet and gray golfers, winners of three straight decisions, tee off against Purdue here Saturday.

Coach Larry Snyder's track team will journey to Philadelphia for the fifth annual running of the Penn Relays. Mal Whitfield, Olympic star, will be the anchor man on three of the Ohio State relay combinations.

The Ohio State tennis team plays host to Indiana Saturday.

Cerdan to Defend Ring Crown Against LaMotta

NEW YORK — (AP) — France's Marcel Cerdan will defend his world middleweight championship against Jake La Motta June 21 at the polo grounds here.

This was the picture that emerged today from the series of back room conferences following Tony Zale's sudden retirement from the ring.

Softball Drill

The 164th Fighter Squadron softball team will practice at 6 p. m. today at the airport. Transportation will leave the YMCA at 5:45.

Senior High Meets Madison Tomorrow

Contest Set 3rd Time at Blue Goose

Unless the weather again interferes, the long-awaited meeting of Senior and Madison high schools on the baseball diamond will come off at 3:30 p. m. tomorrow at Blue Goose field.

Already the first regular season meeting of the schools in 14 years has snowed out and rained out on different occasions and coaches of both schools are casting anxious eyes to the sky while awaiting the game.

Senior high rates as the popular favorite with its well-balanced, experienced nine, yet dropped a 3-2 decision yesterday to a Marion team which it was expected to beat. Madison on the other hand, will go into the contest with a three game winning streak and a four wins and two losses season record.

One thing is certain. Both teams will have their best pitcher on the mound. Dutch Bader of Madison tossed a shutout Monday at Shiloh and Senior high's Lou Gregorio duplicated the feat against Willard Tuesday.

Release of the Madison batting averages today by Coach Blaine Dowler shows Bader also as the Rams' chief offensive threat. He is swinging along at a .500 clip, including three doubles and a home run.

Table with 10 columns: Player, AB, R, H, RBI, BB, SO, 2B, 3B, HR, AVG. Rows include Bader, Gregorio, etc.

Seven Derby Candidates In Kentucky Race

LEXINGTON, Ky. — (AP) — Keeneland's Blue Grass stakes has sent only two of its winners on to the victory in the Kentucky Derby but today's 24th renewal figured to give Derby bettors a solid second choice in the mutuels if not a victor.

Seven Derby eligibles were ready for the race before scratch time today and they included the well-liked John's Joy, owned by Arkansas Planter J. A. Kinard jr., and Old Rockport, the Santa Anita derby winner owned by Clifford Moores, Texas oil man and Kentucky farmer.

The two horses share second place to Olympia in most Derby guessing and a victory for either today was figured to establish the real second favorite.

The victory for either would have to be well-earned, however, because their competition came from such other dandies as Greentree stables' Wine List, Mrs. Royce G. Martin's Halt, Arthur P. Cotter's, Petey Cotter, Hal Price Headley's Shakedown and William E. Schmidt's Pancho Supreme.

Old Rockport and Johns Joy were assigned derby impostos of 126 pounds. Petey Cotter got in the 123 and the others were given 121 each.

Cleveland Fights At Reduced Price

CLEVELAND — (INS) — Fight fans wishing to watch next Monday's battle between Robert Villamain and Reuben Jones at the Cleveland arena will be able to do so at a reduced price.

Matchmaker Larry Atkins announced last night that tickets will be "at a six dollar top with 8,700 seats for \$4 and \$2. That's a return to prewar prices," the promoter added.

Amvets to Play

The Amvets softball team will meet North Lake park in an exhibition game tomorrow at 5:30 p. m. at North Lake.

COURT CHAT—Tippy Dye, Ohio State cage coach, chats with members of the Mansfield Senior high basketball team at their banquet last night at Richland Recreation. In the front row, left to right, Dye, Paul Ferguson, Charlie Marchant and Cliff Hammer (kneeling). Others: Art Hartig, Ed Demyan, Norb Shimbinski, Ed Schmitt, Ken McCally, Gene Fidler, Jim Anderson and Esker Jordan. The players are holding the "most valuable player" awards given to each member of the team. The trophies were donated by Rogers jewelry.

Tippy Dye Features Fete For Senior High Cagers

Tippy Dye, diminutive Ohio State basketball coach, just talked to the "kids" at last night's Alumni M association cage banquet at the Richland Recreation center.

Dye was the principal speaker at the fete which honored the Mansfield Senior high school basketball team which annexed the sectional and district championships this year and advanced to the regional finals.

"It's important to put education ahead of everything else," Dye told the varsity cagers. "When you're going to college, pick a school where you know you'll get the education you need. But you must always apply yourself."

A good athlete according to Dye is a "fellow who has determination and competitive spirit to do something better than anybody else."

Address quotes: "It looks as if Mansfield will have another good season next year after looking at youngsters. . . . Dick Schmittner is the greatest basketball player in Ohio State history but he came to school to play football. . . . Dick proved so good in basketball that he has never played football at State. . . . I personally think that Hamilton (state Class-A Champ) was fortunate in meeting a Toledo Central team in the finals with Toledo having two of its stars on the sidelines. . . . Mansfield lost to a fine club at Toledo."

Rocky Graziano's Status as Boxer Still In Doubt

NEW YORK — (INS) — National Boxing association President Abe J. Greene said today he knew of no impending bout-face whereby ex-champion middleweight Rocky Graziano would be reinstated in New York in time to meet Marcel Cerdan for the title at the polo grounds.

Graziano was one of four Vnames submitted to the frenchman as possible challengers in a New York match which the tournament of champions, inc., listed yesterday for June 21.

However, the former's presumed eligibility seemed to surprise Greene, who said:

"He (Graziano) still has to clear himself with the NBA, both in California and Illinois. Of course, I have no way of knowing what, if anything, the New York commission may have in mind."

"But there's been no intimation that it means to change the fighter's metropolitan status."

Graziano had his New York state license revoked several years ago in connection with his failure to report an alleged bribery-attempt.

Purdue Leads Big Nine Ball With Two Wins

CHICAGO — (UP) — Big Nine baseball moves into its first full week end of competition tomorrow and already the 1948 leaders are falling behind in the statistics column.

Purdue, the fourth place team last season, was the only club in the league with a perfect record, two wins and no defeats, while co-champion Illinois was second with four wins and one loss. The other champion, Michigan, has won only one of four games.

In batting Herb Plews, the 1948 champion from Illinois with a .404 mark, was down to .169 while Gene Evans of Wisconsin was tops in the league this year with .500. Russ Steger of Illinois was second with a .400 mark. He also was high in total bases with 16.

Among the pitchers, Illinois' Horace Tangman has won two and lost none for the lead. Eight other hurlers have 1-0 records, Bill Tosheff, Indiana, Jack Bruner, Iowa, Floyd Leve, Wisconsin, Melvin Henson, Purdue; Pete Perini, Ohio State; Alby Plain, Illinois; Robert Hartman, Purdue and Bill Lukitsch, Illinois.

In team batting Wisconsin was first with a .306 mark while Iowa with .279 was second. Purdue was first in fielding with a .952 average and Illinois second with .928.

Tygers Lose To Marion 9 By One Run

By CHARLEY STINE

Senior high's baseball winning streak came to an abrupt end yesterday because of the sudden unexplainable lack of the commodity which had been its stronghold—hitting power. Harding high of Marion was the conquerer, by a 3-2 score at Liberty park.

Mansfield fans got some solace however, out of the fact that Sparkie Watts, the team's No. 2 pitcher, hurled good enough to win. The lack of depth in the pitching staff has been the team's most obvious weakness but Sparkie showed promise of being able to stand up alongside Lou Gregorio in the long tournament grind.

Watts allowed only six hits and walked but two men while striking out eight. Only the first of Marion's three runs were earned.

The Tygers, meanwhile, were impotent against Merle Daum, a Marion right-hander who was good but not brilliant. Their only timely hit came from an unexpected source, center-fielder Corky Perrine. The little peppercorn drove in both Mansfield runs with a ringing double to right field in the second inning. Ken McCally led off the inning by getting on by an error and Mike Gruber followed with a single. Tom Tucker sacrificed them along to set the stage for Perrine's wallop.

NEVER THREATENS

Senior high never threatened after that as it failed to get a man past first base.

Marion got its first run when Roseberry opened the game with a single to center field. Wolfe sacrificed him along and Stoffer singled him home.

Stoffer provided the big punch again in the third when he singled home a run which had been set up by a pair of errors.

In the sixth, Left Fielder Thomas broke the deadlock with a hit after two men were out.

It was the Tygers' first loss in three games.

Table with 4 columns: Player, AB, R, H. Rows include Roseberry, Wolfe, Stoffer, etc.

Richmond Whips Marion, 5 to 1

(By United Press)

Duane Markley, hurler for the Richmond Robins, pitched a one-hitter as he led his team to a 5 to 1 win over the Marion Red Sox in the Ohio-Indiana league last night.

In other contests, the Muncie Reds turned back the Lima Chiefs, 14 to 5, and the Newark Yankees defeated the Springfield Giants, 11 to 8. The Portsmouth Athletics-Zanesville Indians contest was called off because of wet grounds.

Mike Garcia Wins For Tribe, 11 to 3

CLEVELAND—(INS)—Rookie Mike Garcia was the talk of the Cleveland Indians' wigwam today after the California-born Mexican won "a beeg one" for the Tribe.

The strong-armed right-hander gave up two hits and shut out the Chicago White Sox in five innings yesterday in leading the Redskins to an 11-3 victory. The triumph put the Indians, who leave for Detroit today, in undisputed second place in the American league.

Garcia, who relieved Steve Gromek in the fifth inning, said after the game that he "felt good out there. I had plenty of time to warm up and I was as fast as I've ever been."

The dark-skinned youth entered the ball game with the score tied at three-all, a man on third base and nobody out. He calmly retired the next three batters and did not allow a run to score.

Manager Lou Boudreau suffered a badly bruised left elbow in the seventh inning of the contest, when Orval Grove, the third of five Chicago pitchers, hit him with a pitched ball. The manager-shortstop left the game shortly after but X-rays showed no fracture.

While Garcia was throttling the Pale Hose, the Indians blasted out 13 hits, including a three-run homer by Ken Keltner, a two-run round tripper by Mickey Vernon and a three-run double by Jim Hegan.

THREE IN FIRST

The Redskins scored three times in the first inning off Marino Pieretti, the White Sox starter, then added four in each the sixth and seventh frames.

Besides collecting a home run, Keltner smashed two singles in four trips to the plate, finally hitting his stride. The stocky third-baseman had collected only two hits up until yesterday's game.

Gene Bearden was to be the pitcher tomorrow when the Tribe opens a three-game series with Detroit. The tall left-hander will be seeking his second win of the year against no defeats. Bearden dropped the Tygers, 4-3, in the Indians' home opener last Friday.

Satchel Paige, fully recovered from a pulled leg muscle, will pitch Saturday's game and Bob Lemon will get the call Sunday. Bob Feller is not expected to pitch until late next week when the Indians return home.

Tavern Baseball Team Sets Drills

T. and E. Tavern baseball team manager Joe Siwek today announced a stepped-up practice program of his club in preparation for a practice game scheduled for Sunday.

Siwek said that practices would be held at 5:15 daily this week at Liberty Park and that the squad would be cut to a workable number before the Sunday game. T. and E. will open its season May 7 and will play in the Richland county league which starts May 22.

Three Major League Stars Suffer Injuries

Washington Stops Yank Win Streak

By JACK HAND, Associated Press Sports Writer

Injuries to Stan Rojek, Bob Elliott and Lou Boudreau, all key men in the major league pennant races, overshadow the scores in today's baseball news.

Rojek's injury may be the most important. If the Pittsburgh shortstop, the "hustle guy" of Bill Meyer's infield, is lost for any appreciable time, the Pirates' pennant hopes go a-glimmering.

A pitched ball by Ken Johnson, fifth St. Louis pitcher, struck Rojek near the left eye in the ninth inning last night at Sportsman's park. Early reports from the hospital indicated no fracture.

The incident took most of the sting out of the Pirates' 7-1 victory over the Cardinals. It should have been a big night for the Pirates because Murry Dickson, the ex-Cardinal who was purchased for \$125,000 last winter, faced his old mates for the first time.

Dickson, pitching like a man with a mission, was given a nice cushion in the first inning when the Pirates greeted Howie Pollet with five straight singles. Pollet was replaced by Ted Wilks before he got anybody out in the four-run first inning. After that

F-H Amateurs Win Three of Eight Matches

MT. VERNON — Mansfield Friendly House fighters won three of eight bouts on an amateur fisticuff program here last night.

Bill Eberhardt, Cecil Wright and Howard Carney were the victors. Eberhardt took a split decision over Dick James, Marion, for his 21st victory in 20 fights. Carney decided Jim Collins of Marion while Wright knocked out Marion's Budd Lorry in 1:45 of the second round.

Carney put Collins on the canvas three times while Wright knocked Lorry off his feet three times in the first round and twice in the second before landing the clincher.

Ralph Grier, Mansfield, was forced out by TKO when he hurt his hand in the second round of a go with Taylor of Mt. Vernon. Bruce Heinberger and Links Briggs, both of the Friendly House, dropped split decisions. Heinberger fell before Bobby Davis of Marion and Briggs dropped a "boiled" decision to Veteran Jack Seckinger, also of Marion.

Ken Kinnard of Mt. Vernon decided Sonny Pate of Mansfield and Phil Lindsay, F-H, was knocked out by Ed Emlick, Mt. Vernon, in the second round.

PD's Quintet Finishes 7th

The Mansfield PD's Bar bowling team finished seventh in the Women's North Central Ohio league tournament according to results released yesterday. PD's recorded only 2524 against a winning 2761 rolled by the host Galion team.

Lil Leffmeyer of PD's paired with J. Field of Willard for a sixth place 1071 doubles score. Art Peters teamed with M. Mansberger of Galion for 1053 and 11th place. Peters was tied for sixth in singles with 379.

State Softball Meet Returns to Youngstown

UP — The men's softball championship of the Ohio amateur softball association will be held at Youngstown again this year, August 26-30.

N. J. Barack, Ohio softball commissioner, also announced yesterday that the 1949 women's championships will be played at Springfield August 19-23.

Baseball . . 17 Area Youngsters 'Sign' For 8th Soap Box Derby

Seventeen young area coaster-pilots have already signed for participation in the eighth annual News-Journal Soap Box Derby which will be run off in July.

Sixteen are from Mansfield while one—Robert Utz—will represent Shelby in his Swan Cleaners Special. Entry list for the "greatest amateur racing event in the world" will not close until late in June but designers will need plenty of time to get their coaters ready for the 1949 race.

There is no entry fee for the Soap Box racing and any area youngster between 11 and 15 years of age can get into the race. Kids of Mansfield may register at the Brandenburg Chevrolet company, co-sponsor of the local Derby with The News-Journal. Each contestant must be accompanied by a parent when registering.

Some 100 prizes will go to drivers in the Mansfield race with the victor getting an all-expenses trip to the national finals in Akron in August.

Six Chapters Set For Fete

Six Ohio chapters of the National Hot Stove league have "signed" for participation in the 1949 state convention which is scheduled Sunday at the Mansfield Elks club.

The convention will get underway at 2 p.m. with a banquet scheduled to follow at 6 p.m. Robert Finch, promotional director of the National Association of Professional baseball leagues, will be the principal speaker. Toastmaster will be Fred Tharp, president of the Mansfield chapter.

Twelve delegates will represent Mansfield. Others already on the roster are: Alliance,

Philadelphia Seems Set As Army-Navy Tilt Site

PHILADELPHIA — (UP) — Philadelphia appeared a sure bet today as the site for the 1949 army-navy football game—and maybe for the 1950 and 1951 editions of the classic, too.

"All obstacles to holding the game in Philadelphia next fall have been removed," Mayor Bernard Samuel said.

Browns Fete Plans Are Set

Final plans for the Cleveland Browns football banquet Friday, May 6, were drawn up last night at a meeting in the Mansfield Leland hotel.

Working on the banquet show were: Paul Brown, Browns coach; Fritz Howell, Associated Press sports editor; George "Red" Bird, director of the majorettes; Bill Snyder and Bob Smith of Massillon and Russ Gestner, publicity director.

Howell will serve as toastmaster. The banquet will be one of the features of the giant coaches clinic scheduled May 6 and 7 in Cleveland. Some 1,200 high school and college coaches are expected to attend.
